

AMERICAN LEGION

Carmel Post No. 155
CARMEL, INDIANA 46032

To: American Legion Post Members

The million-dollar question has always been, “what is the best, most economical way to communicate with Carmel Post 155 members?” In addition, this needs to be frequent enough to ensure the word gets out, but not so frequent that we overwhelm our members. Our **Post will be updating the way we pass information about the activities** of our various auxiliaries this year. We will be utilizing email, social media, and the web (post155.org) to keep our members informed on what is happening at our Post. The primary reasons we decided to utilize these methods is speed and, of course, saving on the cost.

To help us in keeping you informed it is critical we have your current contact information (email address, cell phone, and home address). We will only use your contact information to send you information about our Post, we will not share or sell your contact information to anybody. If you haven't checked or validated your contact information, we recommend that you logon onto your appropriate site to either **create or update your profile**. Your review of this information is needed **by March 31, 2023**. In mid-April we will begin using this process to communicate post activities with membership. Below is the site for each of the respective organizations:

- Legion Members: <http://www.mylegion.org>
- Auxiliary Members: <http://www.legion-aux.org>
- SAL Member: www.legion.org/sons

If you have any questions or need help, please do not hesitate to contact the following members: David Leonard, dleonard@post155.org for Legion, Dori Burton, dori_burton@yahoo.com for Auxiliary and Riders, or JR Gooch, jrgooch@yahoo.com for SAL. If you have any questions or concerns about our communication process do not hesitate to contact David Leonard, dleonard@post155.org. He will be glad to answer your questions or address your concerns. We believe this new process will allow us to better meet the needs of our Post membership.

We are expecting an exciting year with various activities, new games, and opportunities to improve the health and wellbeing of veterans across central Indiana.

Sincerely,

Rick Curtis
Commander
American Legion Post 155
