

TIMELESS RHYTHM GROUP, LLC

OFFICIAL PRIVACY POLICY

Effective Date: March 24, 2026

At Timeless Rhythm Group (TRG™), we value your privacy as much as we value your time. This policy outlines how we handle your personal information to ensure a secure and professional environment for our global community.

1. Information We Collect

We collect information that you voluntarily provide when booking a mentorship session, signing up for our communications, or enrolling in our signature curriculum tracks. This information includes:

- Full Name and contact credentials
- Email address and primary telephone number
- Billing information required for secure transaction processing

2. How We Use Your Information

Your personal information is utilized strictly to maintain operations and deliver premium educational services, specifically to:

- Confirm, manage, and schedule your professional mentorship sessions.
- Distribute proprietary curriculum updates and "Timeless Beat" newsletter insights.
- Process payments securely through our authorized third-party transaction processors.

3. Data Protection & Sharing

Timeless Rhythm Group, LLC does not sell, rent, lease, or share your personal information with third parties for commercial marketing purposes. Your data is used solely to enhance your direct educational experience within the TRG™ community and practice ecosystem.

4. Your Rights & Opt-Out Preferences

You maintain full control over your communications. You may opt out of our email updates and newsletter distribution channels at any time by clicking the "Unsubscribe" link included in our emails or by contacting the administrative office directly at info@timelessrhythm.com.
