Thank you for your interest in ordering a video of the Aimee's Premier Dance 2018 Recital! We record the performance with 2 cameras in stunning high-definition. We also get a direct audio feed for the musical numbers for clear-sounding music and use microphones placed near the stage to pick up the dialogue!

If you would like to place an order, complete the form below and return, along with payment, to the school or to the Five C Video table the day of the performance. Payments can be made with card, check, or cash. Make checks payable to Five C Video. SD DVDs are \$30 and HD Blu-Rays are \$35 (taxes included). **New this year: we are now offering the performance video on thumb drives!** These videos play back in full HD as well and will play on any computer or smart TV! Thumb drives are \$40 (taxes included).

Please allow for 4-6 weeks for delivery of the final video. All videos will be mailed to the address you provide on this form.
