

York Dance Center  
2018 Spring Recital ~ Video Order Form

Thank you ordering the York Dance Center "Friends" 2018 Spring Recital! We record the performance with 2 cameras in stunning high-definition. We also get a direct audio feed for the musical numbers for clear-sounding music and use microphones placed near the stage to pick up taps, clogs, and dialogue!

If you would like to place an order, complete the form below and return, along with payment, to the studio or our table we have set up the day of the recital. Payments can be made with cash, check, or credit/debit card. Make checks payable to Five C Video. SD DVDs are \$30 (\$27.75 + 2.25 York city tax) and HD Blu-Rays are \$35 (\$32.37 + 2.63 York city tax). **New this year: we are now offering the performance video on thumb drives!** These videos play back in full HD as well and will play on any computer and some smart TVs! Thumb drives are \$40 (\$37.00 + 3.00 York city tax).

Please allow for 4-6 weeks for delivery of the final video. All videos will be mailed to the address you provide on this form. Please note that Blu-Ray discs will only play in Blu-Ray players, not conventional DVD players, and that standard definition DVDs will be in widescreen which means they'll still be 16x9 in dimension, but not in HD.

Please detach the form below and return with payment.
