Bellevue Dance Academy 2018 Recital - Video Order Form

Thank you for your interest in ordering a Bellevue Dance Academy 2018 Recital video. We record the recital in stunning high-definition! Below you have the option to order the performance on either full-quality HD Blu-Ray disc or standard-definition DVD. Please note that Blu-Ray discs will only play in Blu-Ray players, not conventional DVD players, and that the standard definition DVDs will be in widescreen which means they'll still be 16x9 in dimension, but not in HD.

If you would like to place an order, complete the form below and return, along with payment, to the school or our table the day of the recital. Payments can be made with check, cash, or debit/credit card. **Make checks payable to Five C Video.**

SD DVDs are \$30 (\$28.04 + 1.96 Bellevue city tax) and HD Blu-Rays are \$35 (\$32.71 + 2.29 tax). Please allow for 6-8 weeks for delivery of the final video. All videos will be mailed to the address you provide on this form. **New this year: we are now offering the performance video on thumb drives!** These videos play back in full HD as well and will play on any computer or most smart TVs! Thumb drives are \$40 (taxes included).

You also have the option to add "My Dances" to your video! My Dances allows you to select a name and easily see only the dances the student you select performs in. To include the "My Dances" option on your video, just choose the option below and be sure the student(s) name(s) are written legibly on the order form. This option is an additional \$10 per student, as indicated below. **"My Dances" MUST be ordered on or before the date of the performance. Late orders for "My Dances" will not be accepted.**
