

Bellevue Dance Academy 2019 Broadway Performance
Video Order Form

Thank you for your interest in ordering a video of the Bellevue Dance Academy's Broadway 2019 performance! We record the performance with 2 cameras in high-definition. We also get a direct audio feed for the musical numbers for clear-sounding music and use microphones placed near the stage to pick up the dialogue!

If you would like to place an order, complete the form below and return, along with payment, to the school or to the Five C Video table the day of the performance. Payments can be made with card, check, or cash. Make checks payable to Five C Video. SD DVDs are \$30, HD Blu-Rays are \$35, and HD thumb drives are \$40 (taxes included).

Please allow for 4-6 weeks for delivery of the final video. All videos will be mailed to the address you provide on this form. Please note that Blu-Ray discs will only play in Blu-Ray players, not conventional DVD players, and that standard definition DVDs will be in widescreen which means they'll still be 16x9 in dimension, but not in HD. Thumb drives work through the USB port on all computers and most TVs.

Please detach the form below and return with payment. It is necessary to return the below portion for our order tracking and shipping purposes.
