

Bellevue Dance Academy Honk, Jr. Video Order Form

Thank you for ordering a video of the Bellevue Dance Academy's performance of Honk, Jr.! If you would like to place an order, complete the form below and return, along with payment, to the school or to the Five C Video table the day of the performance. Payments can be made with card, check, or cash. Make checks payable to Five C Video. SD DVDs are \$30, HD Blu-Rays are \$35, HD thumb drives are \$40, and digital downloads are \$35 (taxes included in each price).

Note: we are only shooting the Saturday afternoon performance. Please allow 4-6 weeks for mail delivery of the final video. Please note that Blu-Ray discs will only play in Blu-Ray players, not computers or conventional DVD players, and that standard definition DVDs will be in widescreen which means they'll still be 16x9 in dimension, but not in HD. Thumb drives play back in full HD and will play on any computer with a USB port or most smart TVs.

Please detach the form below and return with payment. It is necessary to return the below portion for our order tracking purposes.
