

Elements Dance Concept 2021 Recital  
Video Order Form

Thank you for ordering an Elements Dance Concept recital video! The dancers put a lot of time and effort into their performances and ordering a video is the perfect way to remember the show! The video will include each routine with multiple cameras and microphones recording the action.

If you would like to place an order, complete the form below and return, along with payment, to the school or to the Five C Video table the day of the performance. Payments can be made with card, check, or cash. Make checks payable to Five C Video. SD DVDs are \$30, HD Blu-Rays are \$35, HD thumb drives are \$40, and HD digital downloads are \$35 (taxes included in each price).

**Please note that we are recording only the afternoon performance.** Please allow for 4-6 weeks for the video to be ready for pick up. All videos will be available for pick up at the studio and you will be notified at the time they are available. Digital downloads links will be emailed to the email address you provide below. Please note that Blu-Ray discs will only play in Blu-Ray players, not computers or conventional DVD players, and that standard definition DVDs will be in widescreen which means they'll still be 16x9 in dimension, but not in HD. Thumb drives play back in full HD and will play on any computer with a USB port or most smart TVs.

Please detach the form below and return with payment. It is necessary to return the below portion for our order tracking and shipping purposes.
