

Footloose Dance Studio 2021 Recital - Video Order Form

Thank you ordering a Footloose Dance Studio 2021 Recital video from Five C Video! We record the performance with 2 cameras in high-definition. We also get a direct audio feed for the musical numbers for clear-sounding music and use microphones placed near the stage to pick up taps, clogs, and dialogue!

To order a video complete the form below and return, along with payment, to the school or to the Five C Video table the day of the performance. Payments can be made with card, check, or cash. Make checks payable to Five C Video.

Please allow for 6-8 weeks for delivery of the final video, though shipping delays due to the Covid-19 pandemic that are out of our control may be possible. All videos will be mailed to the address you provide on this form. Please note that Blu-Ray discs will only play in Blu-Ray players, not conventional DVD players, and that standard definition DVDs will be in widescreen which means they'll still be 16x9 in dimension, but not in HD. Thumb drives work through the USB port on all computers and most TVs and are HD files.

Please detach the form below and return with payment. It is necessary to return the below portion for our order tracking and shipping purposes.
