

Heartland Conservatory of Dance 2019 Annual Showcase
Video Order Form

Thank you for your interest in ordering a video of the Heartland Conservatory of Dance 2019 Showcase! We record the performance with 2 cameras in high-definition. It is our goal to showcase each performer equally during each dance routine. We also get a direct audio feed for the musical numbers for clear-sounding music and use microphones placed near the stage to pick up the taps and dialogue!

If you would like to place an order, complete the form below and return, along with payment, to the school or to the Five C Video table the day of the performance. Payments can be made with card, check, or cash. Make checks payable to Five C Video. SD DVDs are \$30, HD Blu-Rays are \$35, and HD thumb drives are \$40 (taxes included).

Please allow for 6-8 weeks for delivery of the final video. All videos will be mailed to the address you provide on this form. Please note that Blu-Ray discs will only play in Blu-Ray players, not conventional DVD players, and that standard definition DVDs will be in widescreen which means they'll still be 16x9 in dimension, but not in HD. Thumb drives work through the USB port on all computers and most TVs and are HD files.

Please detach the form below and return with payment. It is necessary to return the below portion for our order tracking and shipping purposes.

=====

Please fill out completely. Drop off at the Five C Video booth the day of the performance,
or scan and email back to FiveCVideo@yahoo.com,
or mail to: Five C Video 820 Daybreak Dr Lincoln, NE 68505

Please fill out completely
