

LUXE Dance Academy 2021 Recital
Video Order Form

Thank you for ordering a LUXE Dance Academy recital video! The dancers put a lot of time and effort into their performances and ordering a video is the perfect way to remember the show! The video will include each routine with multiple cameras and microphones recording the action.

If you would like to place an order, complete the form below and return, along with payment, to the school or to the Five C Video table the day of the performance. Payments can be made with card, check, or cash. Make checks payable to Five C Video. SD DVDs are \$30, HD Blu-Rays are \$35, HD thumb drives are \$40, and HD digital downloads are \$35 (taxes included in each price).

Please allow for 4-6 weeks for delivery of the final video. All videos will be sent to the studio and you will be notified when they are ready for you to pick up. Digital downloads links will be emailed to the email address you provide below. Please note that Blu-Ray discs will only play in Blu-Ray players, not computers or conventional DVD players, and that standard definition DVDs will be in widescreen which means they'll still be 16x9 in dimension, but not in HD. Thumb drives play back in full HD and will play on any computer with a USB port or most smart TVs.

Please detach the form below and return with payment. It is necessary to return the below portion for our order tracking and shipping purposes.
