

Lincoln Northeast 2021 Rock Show  
Video Order Form

Thank you for ordering a Lincoln Northeast 2021 Rock Show video! The students put a lot of time and effort into their performances and ordering a video is the perfect way to remember the show! The video will include each routine with multiple cameras and microphones recording the action.

If you would like to place an order, complete the form below and return, along with payment to the Five C Video table on Friday, May 7. Payments can be made with card, check, or cash. Make checks payable to Five C Video. SD DVDs are \$30, HD Blu-Rays are \$35, HD thumb drives are \$40, and HD digital downloads are \$35 (taxes included in each price).

**Please note that we are recording only the Friday performance.** Please allow for 4-6 weeks for the video to be ready for pick up. All videos will be mailed to the address you provide on this form. Digital downloads links will be emailed to the email address you provide below. Please note that Blu-Ray discs will only play in Blu-Ray players, not computers or conventional DVD players, and that standard definition DVDs will be in widescreen which means they'll still be 16x9 in dimension, but not in HD. Thumb drives play back in full HD and will play on any computer with a USB port or most smart TVs.

Please detach the form below and return with payment. It is necessary to return the below portion for our order tracking and shipping purposes.
