

Step It Up Dance Academy 2021 Recital - Video Order Form

Thank you for ordering a video of the Step It Up Dance Academy 2021 Recital! We record the performance with high-definition cameras. It is our goal to showcase each performer equally during each dance routine. We also get a direct audio feed for the musical numbers for clear-sounding music and use mics placed near the stage to pick up the taps and dialogue!

If you would like to place an order, complete the form below and return, along with payment, to the school or to the Five C Video table the day of the performance. Payments can be made with card, check, or cash. Make checks payable to Five C Video. SD DVDs are \$30, HD Blu-Rays are \$35, HD thumb drives are \$40, and HD digital downloads are \$35 (taxes included in each price).

All videos will be available for pick up from the studio approx. 6 weeks following the performance, with a specific date TBD. You will be notified when your video is ready for pick up. Please note that Blu-Ray discs will only play in Blu-Ray players, not conventional DVD players, and that standard definition DVDs will be in widescreen which means they'll still be 16x9 in dimension, but not in HD. Thumb drives work through the USB port on all computers and most TVs and are HD files.

Please detach the form below and return with payment. It is necessary to return the below portion for our order tracking and shipping purposes.

=====
Please fill out completely. Drop off at the Five C Video booth the day of the performance, or scan/email back to FiveCVideo@yahoo.com, or mail to: Five C Video 820 Daybreak Dr Lincoln, NE 68505
