

Shredded Cypress - Grade A

The very best; Made only from the bark of the cypress tree. Resistant to decay, no float, and repels insects. Very fine and will mesh together to create a carpet-like coverage.

3 Cu Ft Bag

Shredded Cypress - Grade B

This is your common, everyday mulch. This is made from the entire tree. It will still repel insects but not as fine as Grade A.

3 Cu Ft Bag

Shredded Cypress - Red Dyed

This shredded mulch is a mixture of hardwoods that have been dyed to a specific color.

2 Cu Ft Bag

Shredded Cypress - Cocoa Brown & Black

This shredded cypress has been dyed to a specific color to enhance the beauty of your landscape. Cocoa brown being one of the more popular colors.

2 Cu Ft Bag

Pine Nugget - Large

Large chunks of pine bark from pine trees. These give off a wonderful, textured look with a true brown color. Color can fade and break down over time.

2 Cu Ft Bag

Pine Nugget - Mini

Smaller, tumbled like pieces of pine bark. Gives off a nice brown coloring and coverage. Spreads out very nicely.
