### PLEASE CHECK ONE:

#### Concert Dedication/Underwriting | \$1,500 Per Concert

As ironic as it might sound, providing admission-free concerts costs money. By the time we pay for stage rental and setup, sound engineering, transportation of equipment, advertising and so on, each concert costs just under \$1,500 to produce! If you would like to dedicate a concert in your name, the name of your business, or in the name of a loved one, we will make special announcements from the stage as well as mention the information in our advertising, on our website, and in a printed concert handout. Please call Amy at **239-777-0416** to arrange for per-concert dedication/underwriting, or simply complete and submit the form below. Thank you for your continued support!

#### Rest | Anonymous Donation in Any Amount

You are the donor that literally lays our fears to rest. How? Your generous (and anonymous) donation lays the groundwork for us to fulfill the second part of our mission: to financially support music education in our local schools. Without you, we would be caught up in a world of just paying our expenses to make it through each season. With you, we are free to work beyond our operating costs so that we can honor music students and faculty with much-needed funds. We can't thank you enough for the peace your generosity instills.

#### Company Sponsorship | Donations of \$3,000+

Your company can benefit from advertising in the form of sponsoring the Naples Big Band. Our audience is comprised of a healthy, active mix of seasonal and fulltime SWFL residents ages 45-80+. **Please call Amy at 239-777-0416 to discuss the details of our audience demographics and how to customize your sponsorship.** Or, simply complete and submit the form below.
