LIBERTY RANCH

Offered for the first time, Liberty Ranch is your Western dream realized. This 7,343 sq ft estate sits on 39.66 acres with year-round live water and sweeping views across the Heber Valley highlighting Mount Timpanogos and Deer Creek Reservoir. It's a rare blend of privacy, natural beauty, and convenience – just minutes from town, yet a world away.

The land is classic Utah: red rock outcroppings, cedar and oak trees, and open, usable ground. Little Pole Creek runs through the canyon year-round, adding both beauty and function for irrigation and livestock. With over 600 acres of adjacent state land, there's endless space to explore, ride, hike and enjoy.

The main home is warm, timeless, and built to last, featuring board-and-batten siding and full-bed stonework. Inside the main home are 4 bedrooms, 5.5 baths and three wood-burning fireplaces. The open kitchen – complete with marble finishes, GE Monogram appliances, and an authentic wood-fired pizza oven – flows into the great room and dining area, all framed by stunning mountain views.

The primary suite is a true retreat with a stone fireplace, spa-like marble bath, steam shower, soaking tub, dual WCs, and a large walk-in closet with its own washer and dryer. The main level also includes an office with bath and fireplace, large laundry, and a dog room or flexible bonus space.

The walk-out lower level offers 3 additional bedrooms, 3 baths, a family room with kitchenette, pellet stove, and a versatile massage/bonus room. Above the garage are two apartments – a 2-bed/2-bath and a studio--ideal for guests, employees or rental income.

Outside, enjoy an expansive deck, fenced garden, charming cabin, new CalSpa swim spa and pond with water feature. The property includes modern systems, a 10 GPM well, 6,000 gallons of water storage, shop/barn, outbuildings, irrigated pasture, and paddocks.

Just minutes to Red Ledges and Heber's Main Street, 20 to Deer Valley, and under an hour to Salt Lake City. Liberty Ranch is where lifestyle, land, and legacy come together.

This is your opportunity to live your western dreams and become a steward of this unique property. To top things off additional land and water is available depending on your needs. Make Liberty a Western family compound!
