

A light gray silhouette of a family consisting of a man, a woman, and two children, standing and holding hands. The man is on the left, holding a small child. The woman is in the center, holding a small child on her right. The title text is overlaid on this silhouette.

Amethyst for Change

Near North Development Corporation promotes sustainable and flourishing neighborhoods through strategic housing, business, and community initiatives.

Amethyst

A gemstone commonly associated with royalty thanks to its purple coloring, amethysts have been used to symbolize deep love, happiness, humility, sincerity, and wealth for centuries.

Due to these qualities we have decided to name our 48th annual breakfast to pay homage to our neighborhood and supporters as they are amazing advocates and change agents for our organization to ensure that Near North continues to be a thriving neighborhood for centuries to come.

Welcome Friends, Neighbors, and Supporters!

Our organization takes great pride in the progress we've made in enhancing the quality of life and overcoming barriers to homeownership. Since our inception in 1977, Near North Development Corporation has been dedicated to fostering sustainable, vibrant neighborhoods through strategic initiatives in housing, business, and community development.

As we implement our new strategic plan, we are grateful for the ongoing support of our dedicated board members. Together, we are excited about the future as we work to rebuild Near North Development Corporation and bring meaningful change to our community.

We invite and truly appreciate your continued support as we advance our mission to revitalize and uplift the Near North neighborhood.

Over the years, Near North Development Corporation (NNDC) has led a variety of impactful initiatives, from constructing homes to spearheading beautification projects. Geographically, we serve the area bordered by 38th Street (North), 10th Street (South), Meridian Street (East), and I-65 (West).

Our Mission

At Near North Development Corporation, we are committed to promoting sustainable and thriving neighborhoods through strategic housing, business, and community initiatives.

Thank you,
Shamika N. Anderson, MBA
President
Near North Development Corporation
