

CLASSIC DEAL OF THE MONTH

Alan McNaughton Gisby helps buyers locate and do deals on cars in Italy. He speaks the language and is married to an Italian lady, so he knows the local thought processes and can unravel the red tape. More on this another time – for now I'll just tell you about the Fiat 130 Coupé that he'd like to part with. A left-hooker with UK papers but, intriguingly, a five-speed. That's the good news. Less good is that it's a non-runner with rust. Still, at two grand it's worth saving and Alan will do his best to get a deal on transport: www.asmgitalia.com
