

Classic Car Project Consultancy

Supporting vehicle purchase & management with a focus on the Italian marketplace

ALL the vital independent support services in one place for individuals, companies or dealers that require services for all vehicle related matters to purchase with confidence from Italy. ASMG Italia Classic Car Project Consultancy has brought the concept of purchasing a vehicle in Italy to a much broader audience including buyers of all budgets; this is assisted by a sensible capped fee structure in place. ASMG Italia also supports the UK, around Europe and further afield due to the high standard of service and resourcefulness that clients have received and complimented upon.

These images are just a small selection of vehicles managed for global customers.
