Bar staffing basics to provide turnkey professional service:

We staff at one bartender per 80 guests (keg beer = one bartender per 60 guests). There is a five hour service minimum per bartender.

Bartenders will arrive one hour prior to bar opening to setup the bar and will ensure that post-event all beverages are repackaged and the bar is pristine. We charge only one hour for setup, and there's no charge for post-event cleanup.

One bar location is included in pricing
(additional bar locations may be added)
