Our Team

Shenzhen Wonda sales group is a young team with energy, enthusiasm and excellent cohesion. We take responsibility for everything and always adhere to the principle of customer first.

Meanwhile, as the company's pioneer team we promote the development of the company with excellent sales performance, realizing the company's win-win cooperation strategy and the self-worth ultimately.

Introduction

Shenzhen Wonda Tech Co., Ltd. was founded in 2007, we are active in 3C electronic equipment and devices.

We are Novatek dash cam strategy partner with over 10 years OEM&ODM experience.

We get strong supports from all of our partners.

Being innovation-driven and customer-oriented, we have become the leader in the dash cam and action camera industry within a few years.

We can fulfill all your requirements in term of design, structure and software support by our professional engineer and designer groups effectively and efficiently.

We can meet all of your demand in terms of quantity with our 3,000sqm facilities and our rich experience team workers.

With our high level quality control system, all of our clients are satisfied with our products.

Long-term relationship and win-win cooperation are our goals, hope we can be strategy partners soon and forever!
