

Figure 8-4. The Cadet Army Camouflage Uniform (C/ACU)

U.S. Army Junior ROTC – Army Camouflage Uniform (ACU) – Female and Male

Headgear

The C/ACU Patrol Cap will be the only headgear worn with the uniform.
 Cadets will wear the C/ACU Patrol Cap straight on the head so that the cap band creates a straight line around the head, parallel to the ground.
 The Patrol Cap will fit snugly and comfortably around the largest part of the head without distortion or excessive gaps. The cap is worn so that no hair is visible on the forehead beneath the cap.
 Sew-on or pin-on rank is worn on the C/ACU Patrol Cap.

Rank

Patrol Cap: Pin-on subdued rank insignia worn centered on the patrol cap. Multiple disc/diamond grades are worn horizontally.
Coat: Cloth subdued rank insignia is worn centered on the chest. Multiple-disc/diamond grades are worn vertically.

Back of Patrol Cap

Mandarin Collar

Normally worn in the down position.

Identification Nametape

The school name or individual Cadet name will be worn on the right side of the ACU coat and on the rear of the patrol cap.

Undershirt

All personnel will wear the camouflage undershirt with the ACU.

“JROTC” Nametape

Nametape with letters “JROTC” worn on the hook and loop backing on the left side of the ACU coat.

Shoulder Patches (Right Arm)

The TIOH approved school insignia patch is worn centered on the pocket of the right sleeve between the bottom of the pocket and the top of the pocket (pocket flap if present)

Shoulder Patches (Left Arm)

The subdued JROTC insignia patch is worn centered on the pocket of the left sleeve between the bottom of the pocket and the top of the pocket (pocket flap if present).

Leader Identification Patch

One 2x3 inch Leader Identification patch may be worn centered on hook and loop backing on the right sleeve with the top edge of the patch in line with the top of the backing. The school patch (if worn) will be worn centered between the bottom of the leader identification patch and the bottom of the pocket.

Subdued ARC Team Patch

One subdued team arced tab may be worn centered on the hook and loop backing $\frac{3}{4}$ " above the JROTC patch on the left sleeve. The combined JROTC patch and arced tab are centered between the top and bottom of the hook and loop backing.

Coat

The coat is worn hook and looped, and zipped.
 The coat has hook and loop fasteners for wearing shoulder sleeve insignia, rank, JROTC patch, and school name tape.
 The coat is normally worn outside the trousers, and the trousers are worn with a belt. The coat may also be worn inside the trousers when directed by the SAI/AI. The coat will not extend below the top of the cargo pocket on the trousers and will not be higher than the bottom of the side pocket on the trousers.
 The elbow pouch with hook and loop closure for internal elbow pad inserts must be closed at all times

Sleeves

Worn down at all times, not cuffed.

Trousers

Cadets will wear the trousers tucked into the top of the boots or bloused using the drawstrings at the bottom of the trousers. When bloused, the trousers should not extend below the third eyelet from the top of the boot.
 The C/ACU is meant to fit loosely and comfortably. Alterations to hinder this are not authorized.
 Cadets will not wrap the trouser leg around the leg tightly enough to present a pegged appearance or insert any items inside the trouser leg to create a round appearance at the bottom of the trouser leg.

Boots

Black boots are NOT authorized for wear with the C/ACU.
 Army Combat Boots (hot-weather or temperate-weather) are made of tan, rough side out, cattle hide leather, with a plain toe and tan rubber outsoles.
 The boots are laced diagonally with tan laces, with excess lace tucked into the top of the boot under the bloused trousers, or wrapped around the top side of the boot.
 Only boots with tan rubber outsoles are authorized for wear.
