

**Mechanical Contractor**

- All HRSG Retrofit Scopes
- Design, Fabricate and Supply of Gas Turbine Filter Houses, Inlets and Exhausts Systems.
- Expansion Joints & Flex Seals
- High Energy Piping

**Cooling Tower OEM**

- New Towers and complete Aftermarket Services.
- Inspections, Maintenance and Repairs on all Brands.
- Performance Evaluations
- Spare Parts for all Brands

**HRSG & WHB OEM**

- New and Aftermarket Services
- Inspections, Maintenance and Repairs
- Engineering Studies
- All HRSG Brands and styles.

**Plate Heat Exchanger OEM**

- New and Upgrade Units
- Performance Evaluations
- Spare and Replacement Parts
- Field Service

**Legacy Valve Brand OEM**

- Atwood & Morrill Isolation and Check Valves
- Batley Butterfly Valves
- Blakeborough Control Valves
- Hopkinson Gate & Globe Valves
- Replacements, Parts & Service

**Combustion Components OEM**

- Utility & Duct Burner Systems
- HESI, Gas & Oil Igniters
- Flame Detectors
- Burner Management Systems
- Fuel, Blower & Ammonia Skids
- Biplane & HRSG Bypass Dampers

**High Performance Valve OEM**

- ClampSeal High-Pressure Globe & Throttling Valves
- CamSeal High-Pressure Metal Seated Ball Valves
- Sizes 1/2" to 4"
- Class 900# to 4500#

**Turbine Clutch OEM**

- Combined Clutch & Flexible Couplings
- Encased Clutches & Clutches for Turning Gears
- Repair, Replacements, Upgrades and parts.

**Lube Oil Purification Systems**

- Patented Balanced Charge Agglomeration Technology
- Varnish Removal Systems for Steam and Combustion Turbines

**Turbine Oil Conditioning Systems**

- TURBO-TOC Turbine Lube Oil Conditioning Systems
- Water and Particulate Removal
- New Units, Parts and Repairs
- Replacement Filter Elements

**Industrial Silencer Equipment**

- Steam Vent & Blowdown Silencers
- Vacuum Pump Silencers
- Centrifugal Pump Silencers
- Blower Intake Silencers

**Thermal Power Equipment OEM**

- Yuba Feed Water Heaters
- Yuba Closed Cooling Water Heat Exchangers
- Ecolaire Surface Condensers

**Off-Line HRSG Cleaning Services**

- EPIC - Extraction Pressure Impulse Cleaner
- No indiscriminate blasting.
- No damage to adjacent equipment or expansion joints.
- Turn-key projects.

**Aftermarket Parts & Services**

- Feedwater Heaters
- Surface Condensers
- FWH & Condenser Retubing
- Eddy Current Testing
- Life Expectancy Evaluation
- On-Site Services

**High Performance Pump OEM**

- Boiler Feed Pumps
- Recirculation Pumps
- Condensate Pumps
- Cooling Water Pumps

**Gas Turbine Enclosure Solutions**

- Ventilation Dampers
- Enclosure Seal Upgrades
- Acoustic Cladding & Shrouds
- Reciprocating Engine Exhausts
- Retrofit & Upgrades
