

New Patient Check List

- Please print and complete the new patient forms from our website. If you can't print the forms then please arrive 15 minutes prior to your appointment time to complete them in office.

- Please bring your dental insurance card and photo ID to your appointment

- Please bring a copy of your recent x-rays from your previous dental office.

If you have had yearly "Bite-wing X-rays" within the last year, or a "Panoramic"/ "Full Mouth Series" in the last 5 years, please bring a copy with you to your first appointment or have your previous dentist email a copy to Greatcare@dunkirkdentalassociates.com prior to your appointment.

If x-rays cannot be provided by your first appointment we will take updated ones.

If you are unable to obtain your previous x-rays and refuse to take updated x-rays, we will have to reschedule your appointment.
