

CCA INCLEMENT WEATHER POLICY

In case of inclement weather, Cherokee Charter Academy will announce delays or closings when deemed necessary by the School Director or his/her designee. Information regarding school closings or delays will be sent directly to all families via the all school communication system by phone, text, and e-mail service. *It is essential that all contact information is kept up to date for families to receive timely information.* Closures will also be announced by local radio and television, all Cherokee Charter Academy social media sites, and posted on the CCA website.

NOTE: Cherokee Charter Academy will follow Cherokee County Public School District's announced closings and delays if due to emergency weather situations.
