The Members or the Board may nominate qualified Members for the Board of Directors by way of a nominating committee or nominations timely delivered to the Board. The Board shall distribute the list of qualified nominations to the Members at least fifteen (15) days prior to the date selected for the Annual Meeting. Each director elected shall hold office for the term for which he or she is elected and until his or her successor shall have been elected and qualified or until his or her earlier death, resignation, retirement, disqualification or removal. A director may be elected to succeed himself or herself as a director. 3.03 Vacancies. Any vacancy occurring in the Board of Directors, and any director position to be filled due to an increase in the number of directors, shall be filled by the Board of Directors. A vacancy is filled by the affirmative vote of a majority of the remaining directors, even if it is less than a quorum of the Board of Directors, or if it is a sole remaining director. a. If any assessment or any part thereof is not paid on the date(s) when due, then the unpaid amount of such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided or as provided in the Declaration, thereupon become a continuing lien on the Lot or Lots of the non-paying Owner. The obligation of the non-paying Owner to pay such assessment, however, shall be and remain a personal obligation and shall be binding upon Owner and Owner's heirs, executors, devisees, personal representatives, successors and assigns except as otherwise provided herein or in the Declaration. The lien for unpaid assessments shall be unaffected by any sale or assignment of a Lot and shall continue in full force and effect except as otherwise provided herein or in the Declaration. No Owner may waive or otherwise escape liability for the assessment provided herein by non-use of the Common Properties or abandonment of the Lot or Lots owned by Owner. The Association shall have the right to reject partial payments of an assessment and demand the full payment thereof.

b. The Association may give written notification to the holder(s) of the mortgage on the Lot ("mortgagee") of the non-paying Owner of such Owner's default in paying any assessment when such default has not been cured within thirty (30) days; the Association shall provide such notice upon written request of the mortgagee.

c. If any assessment or part thereof is not paid within ten (10) days after the due date, the unpaid amount of such assessment shall bear interest from the date of delinquency at a rate equal to the lesser of eighteen percent (18%) per annum or the maximum lawful rate allowed by applicable law, and the Association may, at its election, foreclose the lien against the subject Lot as provided herein or in the Declaration or bring an action at law against the Owner personally obligated to pay the same in order to enforce payment, and there shall be added to the amount of such assessment the costs of preparing and filing the complaint or petition in such action and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and reasonable attorney's fees, together with the costs of the action.

d. The Board of Directors or a managing agent appointed by the Board of Directors ("Managing Agent") may (but shall not be required to) prepare a written notice setting forth the amount of such unpaid assessments, the name of the Owner of the Lot and a description of the Lot. Such notice shall be signed by one of the members of the Board of Directors or by one of the officers of the Association or by a representative of the Managing Agent and may be recorded in the office of the County Clerk of Hays County, Texas. Such lien may be enforced by the foreclosure of the defaulting Owner's Lot by the Association in like manner as a mortgage on real property subsequent to the recording of a notice provided for above. In any such proceeding, the Owner shall be required to pay the costs, expenses, and attorney's fees incurred in connection with filing the lien, and in the event of any foreclosure proceeding, all additional costs, expenses and attorney's fees incurred in connection with any such foreclosure proceeding. The Association shall have the power to bid on the Lot at foreclosure or other legal sale and to acquire and hold, lease, mortgage, vote, convey, or otherwise deal with the same in the same manner as any other Owner of a Lot. Any mortgagee holding a lien on a Lot may pay, but shall not be required to pay, any unpaid assessments owing with respect to such Lot, but such payment shall not be deemed a waiver of the Owner's default by either the Association or such mortgagee.

e. Each Owner, by acceptance of a deed to a Lot hereby expressly vests in the Association or its agents or trustees the right and power to bring all action against such Owner personally for the collection of such charges as a debt, and to enforce the aforesaid liens by all methods available for the enforcement of such liens, including non-judicial foreclosure pursuant to the applicable provisions of the Texas Property Code as same may be amended from time to time, and Owner hereby expressly grants to the Association the private power of sale in connection with said liens. The Association may also suspend the Association membership and voting rights of any Owner who is in default in payment of any assessment in accordance with the Bylaws.

9.10 Subordination of the Lien to First Lien Mortgages. The lien for the assessments provided for herein shall be subordinate and inferior to the lien of any bona fide first mortgage or deed of trust recorded against any Lot in the Real Property Records of Hays County, Texas, after the date of recordation of the assessment notice described herein or in the Declaration. This subordination shall apply only to the assessments that have become due and payable prior to a sale, whether public or private, of such property pursuant to the terms and conditions of any such mortgage or deed of trust. Such sale shall not relieve such Lots from liability for the amount of any assessments thereafter becoming due nor from the lien of any subsequent assessment.

9.11 Statement of assessments. Upon payment to the Association of a reasonable fee, and upon the written request of any Owner, holder of a lien on a Lot or prospective purchaser of a Lot, the Association shall issue a written statement setting forth the status of the payment of any assessments made against the applicable Lot, the amount of any unpaid assessments, the date the next assessment or assessment becomes due and the current amount of the maintenance assessment.

10.03 Headings. The headings used in the Bylaws are used for convenience and shall not be considered in construing the terms of the Bylaws.

10.04 Gender. Wherever the context requires, all words in the Bylaws in the male gender shall be deemed to include the female or neuter gender, all singular words shall include the plural, all plural words shall include the singular.

10.05 Parties Bound. The Bylaws will be binding upon and inure to the benefit of the directors, officers, committee members, employees, and agents of the Association and their respective heirs, executors, administrators, legal representatives, successors and assigns except as otherwise provided in the Bylaws.

10.06 Dividends Prohibited. No part of the net income of the Association shall inure to the benefit of any private individual and no dividend shall be paid and no part of the income of the Association shall be distributed to its directors or officers. ARTICLE ELEVEN INDEMNIFICATION

The Association shall indemnify any person who was, is, or is threatened to be made a named defendant or respondent in a proceeding (as hereinafter defined) because the person (i) is or was a director or officer of the Association or (ii) while a director or officer of the Association, is or was serving at the request of the Association as a director, officer, partner, venturer, proprietor, trustee, employee, agent, or similar functionary of another foreign or domestic corporation, employee benefit plan, other enterprise, or other entity to the fullest extent that a corporation may grant indemnification to a director under the Texas Non-Profit Corporation Act, as the same exists or may hereafter be amended. Such right shall be a contract right and as such shall run to the benefit of any director or officer who is elected and accepts the position of director or officer of the Association or elects to continue to serve as a director or officer of the Association while this Article is in effect. Any repeal or amendment of this Article shall be prospective only and shall not limit the rights of any such director or officer or the obligations of the Association with respect to any claim arising

from or related to the services of such director or officer in any of the foregoing capacities prior to any such repeal or amendment of this Article. Such right shall include the right to be paid or reimbursed by the Association for expenses incurred in defending any such proceeding in advance of its final disposition to the maximum extent permitted under the Texas Non-Profit Corporation Act, as the same exists or may hereafter be amended. If a claim for indemnification or advancement of expenses hereunder is not paid in full by the Association within 90 days after a written claim has been received by the Association, the claimant may at any time thereafter bring suit against the Association to recover the unpaid amount of the claim, and if successful in whole or in part, the claimant shall also be entitled to be paid the expenses of prosecuting such claim. It shall be a defense to any such action that such indemnification or advancement of costs of defense are not permitted under the Texas Non-Profit Corporation Act, but the burden of proving such defense shall be on the Association. Neither the failure of the Association (including its Board of Directors or any committee thereof, special legal counsel, or members) to have made its determination prior to the commencement of such action that indemnification of, or advancement of costs of defense to, the claimant is permissible in the circumstances nor an actual determination by the Association (including its board of directors or any committee thereof, special legal counsel, or members) that such indemnification or advancement is not permissible, shall be a defense to the action or create a presumption that such indemnification or advancement is not permissible. In the event of the death of any person having a right of indemnification under the foregoing provisions, such right shall inure to the benefit of such person's heirs, executors, administrators, and personal representatives. The rights conferred above shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, bylaw, resolution of members or directors, agreement, or otherwise.

The Corporation may additionally indemnify any person covered by the grant of mandatory indemnification contained above to such further extent as is permitted by law and may indemnify any other person to the fullest extent permitted by law.

To the extent permitted by then applicable law, the grant of mandatory indemnification to any person pursuant to this Article shall extend to proceedings involving the negligence of such person.

As used herein, the term "proceeding" means any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, arbitrative, or investigative, any appeal in such an action, suit, or proceeding, and any inquiry or investigation that could lead to such an action, suit, or proceeding.

ARTICLE TWELVE LIMITATION OF LIABILITY

To the fullest extent permitted by applicable law, a director of the Association shall not be liable to the Association or its members for monetary damages for an act or omission in the director's capacity as a director, except that this Article does not eliminate or limit the liability of a director of the Association to the extent the director is found liable for:

- (a) a breach of the director's duty of loyalty to the Association or its members; or

(b) an act or omission not in good faith that constitutes a breach of duty of the director to the Association or an act or omission that involves intentional misconduct or a knowing violation of the law; or

(c) a transaction from which the director received an improper benefit, whether or not the benefit resulted from an action taken within the scope of the director's office; or

(d) an act or omission for which the liability of a director is expressly provided by an applicable statute.

Any repeal or amendment of this Article by the Members of the Association shall be prospective only and shall not adversely affect any limitation on the personal liability of a director of the Association arising from an act or omission occurring prior to the time of such repeal or amendment. In addition to the circumstances in which a director of the Association is not personally liable as set forth in the foregoing provisions of this Article, a director shall not be liable to the Association or its members to such further extent as permitted by any law hereafter enacted, including without limitation any subsequent amendment to the Texas Non-Profit Corporation Act.

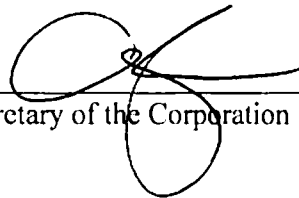

ARTICLE THIRTEEN AMENDMENTS

These Bylaws may be altered, amended or repealed, or new Bylaws may be adopted by the Board of Directors at any annual, regular or special meeting of the Board of Directors.
