RE: 2027 AMPP NorCal Chapter Sponsorship

Dear Valued Partner,

The Association for Materials Protection and Performance (AMPP) NorCal Chapter invites your organization to sponsor our 2027 program. Sponsorships help cover chapter expenses and pay for dinners for students, retirees and other attendees at our technical meetings. Our chapter covers the region from Monterey to the Oregon border and east to the Nevada state line.

This year we are offering three sponsorship levels:

Bronze, $400: your logo on screen at every chapter meeting, a listing on ampp-norcal.org and a sponsor shout out on our social media.
Silver, $800: everything in Bronze, plus a display table at 3 meetings a year for your brochures, products or a project, and a social media post featuring a project you choose.
Gold, $1,200: everything in Silver, plus a 5 minute talk about your company at one chapter meeting and your company banner at every meeting. Gold is limited to 8 sponsors a year, first come, first served.

Please sign up by **December 15, 2026** so we can plan the year. The attached flyer has the full details.

You can pay online at **https://ampp-norcal.org/sponsorship-opportunity**, or mail a check payable to AMPP NorCal to:

AMPP NorCal Chapter, Jackson Blake, Treasurer
C/O B&W Distributors, Inc.
341 Stealth Ct.
Livermore, CA. 94551

AMPP NorCal is a tax exempt organization under IRC Section 501(c), and all donations are tax deductible. Thank you for supporting our programs.

Sincerely,

Linda Rodrigues
Sponsorship Chair
