**DATE:** February 25, 2026

**RE:** 2026 AMPP-NorCal Chapter Sponsorship

Dear Valued Partner,

The Association for Materials Protection and Performance (AMPP) NorCal Chapter invites your esteemed organization to participate in our 2026 Sponsorship Program. Each year, we seek support from utility districts, energy suppliers, coating contractors, manufacturers, AEC firms, refineries, corporations, consultants, and corrosion control equipment vendors. Contributions to this Sponsorship Fund help offset chapter expenses and subsidize the cost of dinners for students, retirees, and other attendees at our technical meetings.

Our chapter encompasses the region from Monterey to the Oregon border and extends east to the Nevada state line. To continue offering valuable programs and events, we kindly request a sponsorship contribution of **\$400.00**.

As a sponsor, your company will receive prominent recognition on the AMPP-NorCal website ([www.ampp-norcal.org](http://www.ampp-norcal.org)), at chapter meetings, and during special events. Additionally, your company logo will be displayed digitally on a large screen at our monthly chapter meetings, and sponsors will be listed in our meeting announcements. Throughout 2026 our chapter is exploring different ways we can promote our sponsors. As an active supporter, companies will have priority in claiming these new and exciting opportunities.

Your support helps ensure the continued success of our educational programs, which provide important learning and networking opportunities for industry professionals. We encourage you, your employees, and your clients to attend these events.

Please make checks payable to AMPP-NorCal and mail them to the address below. For convenience, sponsorship payments may also be submitted online via the following link: <https://ampp-norcal.org/sponsorship-opportunity/>

AMPP-NorCal Chapter- Jackson Blake, Treasurer  
C/O B&W Distributors, Inc.  
341 Stealth Ct.  
Livermore, CA. 94551

AMPP-NorCal is a tax-exempt organization under IRC Section 501(c), and all donations are tax-deductible. Thank you in advance for your support in making these valuable programs possible.

Sincerely,

**Linda Rodrigues**  
Sponsorship Chair  
AMPP-NorCal

**Jackson Blake**  
Treasurer  
AMPP-NorCal
