 BCTS Chief Inspector
 AMPP Certified Coatings Inspector #8796

Tracey O'Bannon
 Obannon Inspection Services (OIS).
 AMPP Senior Inspector.

ABSTRACT:

The challenges of daily inspection and how to overcome them. Benefits to inspection to the owner.

BIOGRAPHY:

Billy Campbell is a highly skilled and experienced NACE 3 Inspector, with a passion for ensuring the safety and integrity of critical infrastructure. Over the course of his career, Billy has become an expert in corrosion prevention and mitigation, utilizing cutting-edge technology and industry best practices to protect a wide range of assets including pipelines, tanks, bridges, and offshore structures. As a NACE 3 Inspector, Billy has been certified by the National Association of Corrosion Engineers to perform complex inspections, testing, and analysis to ensure that structures and equipment meet the highest standards of safety and performance.

Tracey O' Bannon is a 15 year member of AMPP. He has worked in the residential, commercial industry as a painter and industrial world as an Industrial Blaster / Painter. Early in his industrial painting career, Mr. O' Bannon saw the value in educating himself early of becoming an inspector. Jumping ship from contractor to independent coating inspector in 2018, Mr. O' Bannon has worked in the industrial world of water, wastewater, oil & gas industries on high profile projects.
