

Risk Assessment for #GoRacingGreen Events (Updated 28.11.2020)

This is a **Risk Assessment** for dealing with the current Covid-19 situation related to events and tours. It is not likely to cover all scenarios that may arise, and all those attending events have the responsibility of carrying out due diligence and undertaking all instructions and procedures as advised by Debbie Matthews (or the #GoRacingGreen representative running the event) and the policies of any premises that is being visited, in addition to the rules set out by the Government.

Debbie Matthews has completed and passed the VisitEngland standard accreditation deeming events and tours carried out by #GoRacingGreen as “We’re Good To Go” and the British Horseracing Authority and Racing 2 Learn’s Covid 19 Racing Industry Participation online course.

The latest guidance has been taken from the Government website and can be found here:
