<u>GUIDELINES 1-5</u>
1 I understand the visits will be scheduled in accordance with the court order, within the boundaries and limitation of AHSV to meet the needs of participants. The AHSV program is not a party to the lawsuit; therefore, if AHSV is unable to provide services under precise terms of the court order, it is the participant's responsibility to request the court to modify the order in the absence of a mutual agreement. Visits are scheduled subject to the availability of a supervisor. 2 AHSV staff has the right to determine appropriate and/or inappropriate behavior and
conversation between parties and the child (ren), or in front of the child (ren). Continued infractions may
result in the termination of the current visitation, suspension of one or more visits, or termination of AHSV services for failure to comply.
4 The supervisor's responsibility is the safety of the children. If the supervisor is forced to make a
decision that is not specifically stated in the "Agreement to Participate" for the protection of the parties, the parties are to abide by the decision and direct any problems to the AHSV office the following business day. Failure to follow the rules will result in immediate termination of the visit and/or future visits. 5 COVID-19 - If a parent is confirmed to have tested positive for COVID-19, you should inform AHSV of your possible exposure immediately. A party must provide proof of a negative test and will not
be able to request a visit until results are given to the office and it is safe to return.

TEXAS LAWS CONCERNING CHILD ACCESS, CHILD SUPPORT, ETC.

Frequently asked questions that come up regarding visitation

Can a parent refuse visitation if child support is not paid? No, child support and visitation do not go together. Neither a parent nor a court can refuse to allow visitation solely on the issue of non-payment of child support. After orders are issued on child support and access, the custodial party can be held in contempt of court for refusing to allow access. It is hoped that if it is necessary to cancel a visit, the custodial party will be agreeable to making up the missed access period. AHSV tries to work with families to accommodate child participation in church, school, or special activities by offering make-up visits. A private visit may be a great option. Custodial parents may be expected to pay the cost of a private visit, especially if cancellations are excessive.

When can my child decide which parent to live with?

In Texas, a child's decision cannot be the sole factor in determining which parent the child lives with. However, once the child reaches the age of 12, and upon motion, the court can consider the child's wishes as to whom he/she wishes to live with.

What if one of the parents tries to move out of state?

It is always important to try and maintain a stable & safe environment for the kids and the judge will try to maintain that stable and safe environment. Typically, counties will use a standing order that prohibits the parties from taking the children out of state, or your attorney can help you get a Temporary Restraining Order that will prevent the party from moving out of state. If you already have orders in your case regarding possession and access to your children, you can still file a Temporary Order to keep the other party from moving out of state. It is possible to limit the children's residence to the state of Texas, the current county, and/or contiguous counties.

ZERO TOLERANCE DRUG POLICY IN A SUPERVISED SETTING

PARTICIPANT DRUG POLICY ACKNOWLEDGMENT

Child (ren) Last Name: _____

I understand that the Angel's Harbor Supervised Visitation Program have a Zero Tolerance Drug Policy and the participants in the Angel's Harbor Program are made aware of this policy as it is set out in the Agreement to Participate.
The Angel's Harbor Program drug and alcohol policy provides that if drug or alcohol use prior to a visit is suspected that the visit will be terminated <u>immediately.</u> Angel's Harbor Supervised Visitation has the right and will require any party suspected of consuming drugs or alcohol prior to a visit to submit to a drug screening test either by hair of blood sample within three (3) hours of the time the party arriving to visit or meet a child.
This policy applies if for any reason the staff or supervisor of the Angel's Harbor Program suspect that a party visiting a child in any setting, whether the party is visiting a child in a group setting, a privately supervised visit, a custodial party picking up a child from the Angel's Harbor Supervised Visitation Program or a party participating in the exchange of children for visitation, has consumed or used drugs o alcohol prior to arriving at Angel's Harbor Program location.
Under no circumstances will a child be released to a custodial party if the use of drugs or alcohol is suspected. The party will be required to arrange for a third person to come to the Angel's Harbor Program location (with valid Driver License) to pick up the child for the custodial party. The Party will be responsible for having someone pick up their vehicle or returning later to get their vehicle. If the party refuses to follow these requirements law enforcement will be called, and the attorneys involved in the case notified.
I understand that my refusal to submit to a drug or alcohol screening test or a positive test result will lead to my immediate termination from the Angel's Harbor Program and, that the Court will be notified of both the termination and the reason for the termination.
