About Company

SCOTRACO NIG. LTD. is a company based in Nigeria founded in 2006 from the unique vision of Italian and Nigerian entrepreneurs already performing in the civil and industrial construction sector since the 1990s.

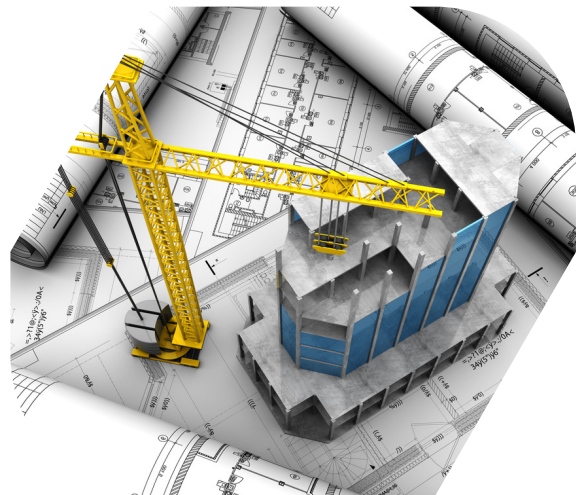

- Civil & Industrial Buildings
- Complex Urban Construction
- Ports, Airports, Hospitals
- Highway Maintenance

Your Partner in Big Projects

We are the union of over 30 years of experience in diversified and complementary fields. The company expands its international presence within a few years by extending its activities in the redevelopment and renovation of the main commercial and financial areas of Lagos state, Nigeria.

Capability

Deliver the orders awarded within the established deadlines, guarantee of supply of high quality materials, compliance with safety requirements by providing continuous training to each operational team on construction sites.

Our partnership with international companies

Our operational force continues to grow thanks to the choice of local and international partnerships that allow us to be present and operational in sectors such as:

- Power
- Oil and Gas pipelines
- Refinery Activities
- Hospital Equipment and Training
- Waste Management
- Services for Agricultural and similar Machinery
- International Procurement
