### Sales Contract

Date \_\_\_\_\_

I/we \_\_\_\_\_ herein after known as  
(BUYER (S) hereby certify and agree that on (date) \_\_\_\_\_, 20\_\_\_\_,  
I/we purchased a basset hound puppy/dog from "Bradshaw Basset Hounds,  
Stephanie Bradshaw, herein after known as (SELLER)

The following contract is between Stephanie Bradshaw (breeder/seller), and  
\_\_\_\_\_ (buyer). This contract is for the purchase of a  
Basset Hound puppy. The purchase price of the puppy is ~~\$950.00~~ (US dollars), of  
which \$100.00 is a NONREFUNDABLE deposit to hold the pup.

The deposit is included in the total purchase price. Deposits need to be paid no  
later than one week after choosing a pup. If not received, the buyer then goes to  
the end of the waiting list, and the pup will be made available for adoption. Buyer  
understands the deposit is a commitment to purchase said pup. Buyer will forfeit  
deposit, and any ownership rights, if he/she no longer wants to make the  
purchase, or if FULL payment is not received by pick up date, or pick up of the  
pup is not within 5 days of availability date (unless prior arrangements are  
made.)

Deposits can be made using a U.S. postal money order, Paypal, Cashapp, or in  
person.

I, Stephanie Bradshaw, certify that the above puppy has received it's first set of  
shots, been vet-checked, and has received regular wormings. In the unlikely  
event that something should surface, I certify that any condition or abnormality,  
or any other issue found in the vet-check, is disclosed to the buyer. Unless  
something is disclosed, I guarantee this is a healthy pup.

I guarantee that this is a purebred Basset Hound, of purebred sire and dam.  
I guarantee the sire and dam are in good health, and receive annual vet checks  
and appropriate vaccines. No other guarantees, written or implied are given.

The buyer will receive a shot record, at completion of the sales transaction, and  
the puppy will be released to the buyer.

Buyer, please initial in the area in front of the following statements. Your initials  
serve as evidence that you understand, and will uphold the following:

\_\_\_\_\_ The buyer will have 72 hours from pick up date (excluding weekends and  
holidays) to have the puppy examined by a licensed veterinarian. If a severe,  
questionable condition should be found, (and written documentation is provided  
by the vet) you have the option of returning the puppy immediately, (AT BUYERS  
EXPENSE), and you will have the opportunity to pick a pup from any available  
pups, or be put on a waiting list for another pup. NOTE: written documentation  
needs to be sent or faxed to the breeder/seller prior to this exchange. It is at the

breeders'/sellers' discretion to offer a refund in lieu of a replacement pup. If pup was not seen within the given timeframe, this is null and void. Items NOT included are: stress related issues that could be caused by the move, and from separation from litter mates, coccidia, giardia, UTI, minor heart murmurs, hernias, eye conditions, or behavioral issues. This is NOT an all-inclusive list. Each case will be judged on it's own merit.

\_\_\_\_\_ Buyers are responsible for any and all vet expenses and care for the pup after it is released to buyer. Breeder/seller is NOT responsible for any medical or care related expenses once pup is released to the new family.

\_\_\_\_\_ The buyer agrees, that in the event that life circumstances no longer allow for proper care of the puppy/dog, or other circumstances, the puppy/dog will be returned to the seller, along with shot records, vet paperwork, and registration paperwork. The puppy will be returned in a manner which will not endanger the health or life of the puppy/dog. The puppy/dog will be returned to seller WITHOUT a refund of any portion of the purchase price or application fee. Puppy/dog will NOT be given away, sold, or otherwise disposed of.

\_\_\_\_\_ The buyer agrees that this basset hound puppy/dog will NOT be given away, sold, taken to a dog pound, shelter, pet store, or humane society, or disposed of.

**Puppy pick up:** Once the pups are 8 weeks old, they are able to join your family. If, for some reason, you need to extend that, I charge a fee of \$10 a day for the care of your puppy, until pick up. Also, if the pup is still here at 9 weeks old, the 9-week vaccines will be given, and that will be added to your balance. FULL balance is required prior to, or, at pick up. Final payment is CASH only!

\_\_\_\_\_ I, (Buyer), agree to abide by all written herein. Any and all legal action needed to ensure the above is complied with, will be filed in the residing state of the Breeder/Seller, presently: The State of Mississippi, Leake County, who will govern ALL terms of this contract. All fees associated with the suit will be paid for by the Buyer.
