LET'S DO IT!

01

WHAT IS A TRAVEL AGENT (TODAY)?

The days of brick-and-mortar travel agencies with pamphlets and neck scarves are over. Today's travel agents are:

- ✚ **Tech-savvy, remote-working pros**
- 📱 **Creating custom trips for clients online**
- 🌟 **Personal travel brand builders**
- ✈️ **Leveraging industry perks & commission-based income**

Thanks to digital tools, you can run a travel business from your couch (or a cabana in Costa Rica). You help people plan dream vacations, group trips, cruises, honeymoons, Disney adventures — you name it.

This isn't about "booking travel"... it's about building a lifestyle business around your passion for travel. And the best part? You don't need prior experience. Just the right training and a willingness to learn!

02

THE PROS – WHY PEOPLE ARE SAYING YES

- 🌴 **Freedom & Flexibility** — Set your schedule, work from anywhere
- 💰 **Earn Commission** — You get paid when your clients travel
- 🎁 **Travel Perks** — Access to discounted trips, fam (familiarization) trips, and insider-only offers
- 🧠 **Lifelong Learning** — Every destination you book teaches you something new
- ❤️ **Make an Impact** — You're not just booking trips — you're curating memories

03

THE REAL TALK – WHAT IT'S NOT

Before you grab your suitcase and hit the YES button, here's what this business is not:

- ✗ **It's not a get-rich-quick thing.**
- ✗ **It's not passive income overnight.**
- ✗ **It's not just "posting travel pics" and waiting for people to throw money at you.**

If you want easy — this ain't it.

But if you want fun, freedom, flexibility, and fulfillment — it's all right here.

04

WHAT YOU NEED TO SUCCEED

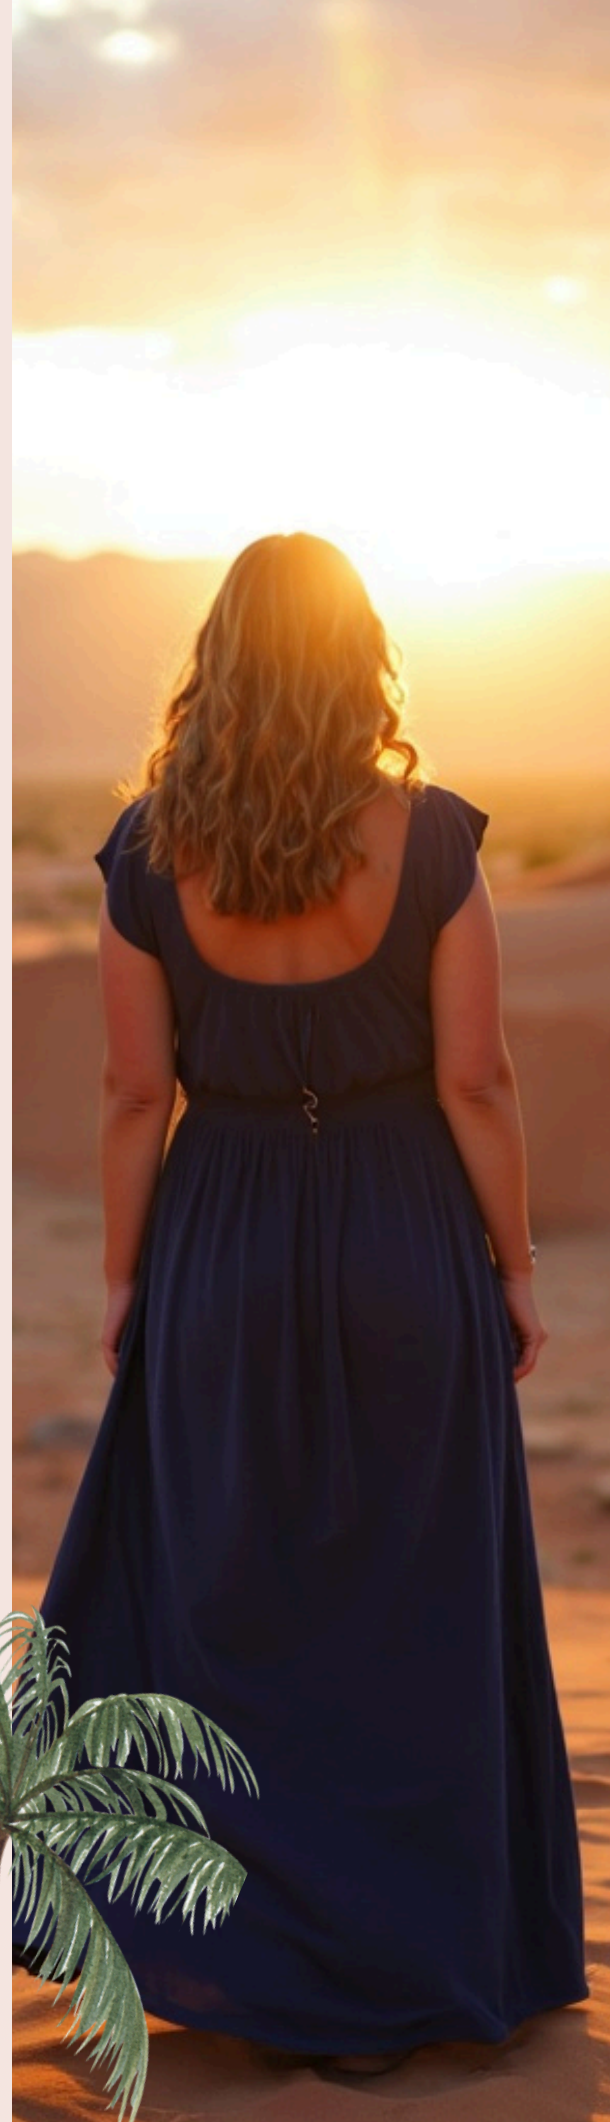

Mindset + Tools = Travel Biz Magic

Let's break down what it really takes to succeed:

- ✓ A positive, coachable attitude
- ✓ Consistent work ethic (even just 5–10 hours/week!)
- ✓ Ability to follow systems and training
- ✓ Willingness to learn new things (Zoom, booking systems, email)
- ✓ A mentor, community, or support team (hi, that's me 😎)

Oh — and don't worry if you're not tech-savvy or have ZERO experience.

I've helped people from ALL walks of life become successful travel agents. If you bring the heart, we'll help with the how.

FAQS – SPILLING THE TEA

Q: **Do I need a license or certification?**

Nope! You'll get access to all the necessary tools, systems, and credentials through the host agency or training platform we partner with.

Q: **How much does it cost to start?**

It cost \$179 to get started, and \$40 per month after the second month. Less than a weekend getaway — and it could change your life! 30 day satisfaction guarantee!

Q: **Can I do this part-time?**

Heck yes! Many agents start with 5–10 hours/week and grow from there.

Q: **Is this one of those MLM things?**

You can book travel through our host agency and earn commissions — no recruiting, just real bookings and travel perks. There's also an **optional referral program** to earn extra income by helping others get started. No quotas, no inventory, just solid support if you choose it.

Q: **How and when do I get paid?**

You earn commission on every trip you book, and payments are typically made 30–60 days after your client travels.

06

FINAL PEP TALK

You Don't Have to Know It All — You Just Have to Start

**Saying YES doesn't mean you're committing to something you can't undo.
It means you're saying YES to possibility. YES to options. YES to growth.**

**Imagine one year from now — working from wherever you want, earning extra
income, helping others make unforgettable memories.
It all starts with a choice.**

**So if your gut's been whispering "Maybe this is for me..."
Lean in.**

You were made for more. And this might just be it. ✨
