FIREARM STORAGE POLICY

Storage Fees

Storage is \$50 per firearm, per month. A three-month minimum is required, with the first three months paid in full at intake (\$150 per firearm). After that, storage continues at \$50 per firearm each month.

Storage and Responsibility

Firearms will be secured while in our custody. Their condition will be documented at intake. Angry Lion Firearms is not responsible for pre-existing damage or deterioration unrelated to our handling or storage.

Return of Firearms

Before release, you must provide any required court documents establishing that the applicable restriction has ended. Release remains subject to verification of your eligibility and all applicable legal requirements. When required, return will include a DROS application, background check, and 10-day waiting period. The stated DROS fee is \$47.19, subject to applicable fees at the time of release.

If You Choose to Sell

If you choose to sell your firearms, Angry Lion Firearms can coordinate the lawful transfer. For an eligible private-party transfer, the stated fee is \$47.19 plus \$10 per firearm. Any separate selling or consignment services require an agreement.

Unclaimed Firearms

Contact Angry Lion Firearms promptly when your restriction ends to arrange lawful pickup or another disposition. Firearms remaining unclaimed more than 60 days after the restriction ends may be subject to an abandonment process, required notices, and lawful sale to recover outstanding charges, as permitted by law. Storage charges continue until the firearms are released or otherwise lawfully disposed of.

Identification Required

A current California driver's license (CDL) is required. A copy will be taken and attached to this sheet.

Storage Documentation

Applicable temporary-storage paperwork will identify the storage as prohibited-person storage or voluntary storage, as appropriate. You will receive a signed copy of the intake documentation for your records.
