

January 2023

To all Scots and Supporters of all things Scottish in the Greater Moncton Area:

**Why join or rejoin the GMSA?**

- The most significant feature of the GMSA is that 100% of your financial support will stay in Greater Moncton to support the activities of your association.
- The GMSA is maintaining a group membership with the NBSCA so there will continue to be a director representing our area on the NBSCA Council.
- All members are welcome to attend our regular monthly meetings as they are not closed & your input is greatly valued.
- Children and grandchildren of GMSA members are eligible for bursaries to further their studies in Scottish music, dance, language and culture.

Please complete this form to join now and support this important cultural association.
