**ABOUT MASSI GROUP & JONATHAN MASSIANI**  
**"EVERYTHING IS ABOUT WHO YOU KNOW"**

**Massi Group**

MASSI M&C Group. Was formed and constituted by Jonathan Massiani. "The Connector " MASSI is 360 business solutions that allow the development of our clients' projects. Our international alliances with various groups and personalities, such as private equity funds, banks, bankers, financial institutions, entrepreneurs and people with significant assets, have allowed us to offer customers access to platforms, contacts, relationships, resources and more that allow you to take your business or service to another level thus surpassing conventional consulting companies where the focus is the market standard. We go BEYOND.

MASSI M&C Group It was formed and constituted by Jonathan Massiani joining and aligning businessmen, lobbyists, personalities from the financial world, institutions, funds, politicians, public figures, philanthropists and other individuals. As a result, we have a UNIQUE consulting BOUTIQUE with AWESOME scopes. Our NETWORKING MODEL program has quickly become one of the most reliable and solid alternatives for the development of local and international projects. Unlike the policy of other companies, which include exorbitant rates of due diligence and no accountability to produce results.

Our mission is to become a leader in Networking accelerator and business consulting boutique by providing our clients with services that help them to be more successful. We will continue to improve and develop to become the leading professional consulting organization, providing our clients with first class quality services customized to meet their unique needs. Achieving our mission will require a sense of trust, support and interdependence, these three elements are vital to our business.

Our customers are the main reason for our existence, and we intend to keep them fully satisfied by operating in a way that promotes their business interests. By constantly listening to and providing continuous feedback to our clients, we identify their needs and translate them effectively into specific services for the client that in turn become economic returns in the short and medium term. You are our top priority and our work will fully support the business objectives of our customers.

The cornerstone of our organization is the dedication and integrity demonstrated by the people we work with. We value our human resources as the main driving force of the business and provide them with the best available resources to foster professional and personal growth.

"WE CONNECT AND EXECUTE" THAT MEANS WITH US THE POSSIBILITY TO CLOSE YOUR BUSINESS DEAL IS REAL AND FAST.
