

NEW ALLIANCE WITH MEXICO

- 1.- Provide nutritionally dense food that is made primarily using amaranth seeds and local ingredients.
- 2.- Always guarantee our 7 Promises.

We started with our sweet and savory snack line in November 2018

Its founding purpose was to grow the awareness of the vast health benefits that amaranth seeds has to offer. A seed that has been in our culture since the aztecs, who believed it was a symbol for “enduring strength”.

But even though it is widely known in Mexico, Peru and India, it's still a relatively new superseed that the world has yet to explore.

WE LOVE AMARANTH, WE BELIEVE that ITS UNIQUENESS and HEALTH BENEFITS SHOULD BE REACHING A LOT MORE FAMILIES.

Through awareness, education, and great tasting products we ARE sure we can accomplish this great mission.

Sharing amaranth to the world in a sweet,

THE BEST FOODS ARE THOSE THAT PROVIDE THE MOST NUTRITION TO THE BODY, REAL FOODS THAT STRENGTH and vitalize.

We believe that food should come from organic sources and certified when possible. We work directly with the farmers to insure the highest quality ingredients FOR OUR PRODUCTS while at the same time benefiting our local communities.

We work hard to be vertically integrated guaranteeing the quality of our main ingredients

- Organic Peanuts
- Organic Amaranth
