ABOUT ME

"I was born to inspire your life: "You will go as far and fly as high as your Faith allows you."

Hello, I am Alejandra Lugo, a curious bilingual communicator, mentor, entrepreneur, wife and mother. With more than 17 years of experience in the media, I have worked as a television host, soap operas, movies, TV commercials, with celebrities, politicians and business owners. I have been the image and voice of recognized brands such as Directv, Farmers Insurance, Claritin, Garnier Fructis, Windex, Milk PEP, CAC Florida Medical Centers, Camerino Professional Makeup and an ambassador for social causes for most of my life. I've been on both sides: in front of and behind the camera. I have led presentations and trainings including women's groups, organizations, corporate professionals, and nonprofits.

My great dream in life, and all my desires made sense when I knew that my life had a greater meaning than my own existence. I am on a mission to bring to light the next generation of authentic and purposeful communicators who make a difference to genuinely impact.

"True communication begins where no one sees it."
