We work with principles and values of the kingdom of god

1. **Love:** Love is central in the Kingdom of God. Jesus taught that the greatest commandment is to love God with all your heart and to love your neighbor as yourself (Matthew 22:37-39).
2. **Justice:** God is just and calls His followers to live justly, promoting social justice and defending the oppressed (Micah 6:8).
3. **Peace:** Peace is an essential value. Jesus is called the "Prince of Peace," and His followers are called to be peacemakers (Matthew 5:9).
4. **Humility:** Humility is valued in the Kingdom of God. Jesus taught that those who humble themselves will be exalted (Matthew 23:12).
5. **Service:** Serving others is a fundamental principle. Jesus said He did not come to be served, but to serve (Matthew 20:28).
6. **Forgiveness:** Forgiveness is crucial. Christians are called to forgive others as God has forgiven them (Matthew 6:14-15).
7. **Faith:** Faith in God and His promises is essential. Faith is the foundation of a relationship with God (Hebrews 11:1).
8. **Hope:** Hope in eternal life and in God's promises is a motivating principle for Christians (Romans 15:13).
9. **Truth:** God is truth, and His followers are called to live in truth and proclaim it (John 14:6, Ephesians 4:25).
10. **Holiness:** Holiness is living according to God's will, turning away from sin, and seeking to become more like Christ (1 Peter 1:15-16).
