AKC Reunite Adopt A K-9 Cop

AKC Reunite, the largest non-profit pet microchip identification and recovery service provider in the United States, is pleased to announce that it has awarded over \$1.4 million in 2024 grants through its AKC Reunite Adopt A K-9 Cop matching grant program. To see the full list of recipients please visit our [website here](#).

The Adopt a K-9 Cop program allows AKC Reunite to match funds from the AKC Clubs, AKC-affiliated organizations and the public, three-to-one, up to \$7,500 per grant. These donations help police departments throughout the United States purchase K-9 police dogs. Many of the police dogs acquired with the help of these grants are used as patrol dogs as well as detection dogs, helping to locate narcotics, explosives and/or evidence. A total of 759 Adopt A K-9 Cop grants have been awarded since the inception of the program in 2013 and, as of this year, the program has awarded more than \$5.7 million in grants. We are pleased to announce that all 2024 grants have been awarded.
