Training Days at Bush Ranch: We again have reserved the first and third Saturday of each month from June to September for a training day at Bush Ranch. The only way we can do this is get a club sponsor who knows the property and will take responsibility to get calls from members of interested parties that want to come out together, open, and close gate and leave grounds as they found them to SPONSOR that day. Without a sponsor we cannot have a training day. Please call Gene to get your name down as a sponsor for a date and help us out to have these training days. And new people that need a place to run dogs, this is a great place to get out and let dog go for a run. Let use this opportunity that the Bush Ranch has given us. Some suggest a mock hunt test on these days.
