

# October OnPoint

**Meeting: Oct 24<sup>th</sup> @ 7:30p**

Sosa Community Center 1414 Wirt Rd Houston, TX 77055

## Save the Dates and Updates...

**Hunt Test:** Hunting season is here & so are our hunt tests. They will be held November 23 & 24th at West Point Ranch lands near La Grange. Premiums will be available on the Club web & face book page or contact Bryan Baldwin at [baldwin15@sbcglobal.net](mailto:baldwin15@sbcglobal.net) The Club will be needing a hunt test chairman for February 2020. Bryan Baldwin has withdrawn from that event. The ranch is reserved & the event has been approved by AKC. He has offered to assist a new chair w/getting it going but cannot chair the event.

**Location:** There may be a change in location for the October meeting due to early voting for the Mayor's race. The center said they have not received any word to close the place for evening events but that is not a guarantee that it will not be changed at the last minute. Will be checking on alternate locations for a backup plan just in case. Will try to send a notice a day or 2 before the meeting so everyone is aware. (2 locations that can be used are Denny's at Bunker Hill or Fratelli's (Italian) on Wirt close to the center.)

During the 2020 year, the Club **will not** be able to meet at the Sosa community center d/t early voting. The months are February & October. Any suggestions would be helpful, restaurant or someone's home that might be centrally located. We value your opinion so speak up on a good location. I will also be scouting locations & rec'd a couple of suggestions from the center.

**October Programs:**

The program for the October meeting will be on the disease Pythiosis, or also known as swamp cancer presented by Jason Hylar. This will be a good program to attend to learn symptoms & treatment for this deadly disease in animals.
