

You'll love the way we learn!

Digital learning doesn't replace in-class instruction or the hours you spend in the student salon. Instead, it elevates and enhances what you learn in the classroom. With digital learning, you learn *more*—and you learn *better*. All while having fun.

We Use CIMA by Milady!

- > Works on whatever devices you use.
- > Is available 24/7 wherever you are.
- > Accommodates all learning styles.
- > Chat with your instructors and classmates and get real-time grading and instant feedback on assignments and quizzes.
- > Better prepares you to pass your state licensing exam!

Make learning fun, engaging, and efficient!
