

*Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus.
Philippians 3:13-14*

A Time to Build Up

***1 To every thing there is a season,
and a time to every purpose under the heaven:
2 A time to be born, and a time to die;
a time to plant, and a time to pluck up that which is planted;
3 A time to kill, and a time to heal;
a time to break down, and a time to BUILD UP...***

A New Year brings new possibilities, new opportunities, and new challenges. As we enter this New Year, most folks will assess the previous year and make "*resolutions*" to do better in the future.

So, what will you **BUILD in 2023**? Of course we are not referring to a house, or a physical project of some kind, we are talking about your relationship with the Heavenly Father and with others. Yes, we will look back briefly, but as ***Philippians 3:13-14*** reminds us, we will "***press toward the mark for the prize of the high calling of God in Christ Jesus.***" We must look forward, keep pressing on, keep trusting our Heavenly Father, and keep taking every step by faith one by one into this New Year.

We hope you will join us in this "Building Adventure" as we once again renew our commitment to meet with our Creator-Father, hear His voice, and follow as He leads each day. But how? Here are a few suggestions:

- Get to know Him in His Word, the Bible
- Read a portion of His Word every day
- Think on that Word throughout the day, make notes
- Apply that Word to your life and obey Him

***Thy word have I hid in mine heart,
that I might not sin against Thee.
Psalm 119:11***

HAPPY NEW YEAR BLESSINGS!

Saying good bye to 2022 and looking forward to 2023 is quite the normal routine on *New Year's Day*! We are so very thankful for those families who gathered with us on Sundays in this last year to worship our Lord Jesus Christ. And now we look forward to those the Lord will bring to our Non-traditional Gathering at 502 Pike Street, Superior MT in this New Year. We look forward by faith to meeting each one of you!

Winter hit hard and a bit early with sub-zero temperatures and bad road conditions in November and beyond! Although the weather did not cooperate one bit over the holidays, we held a Christmas Eve Carols By Candlelight where six attended and we enjoyed carols, the Christmas Story, and fellowship with one another. Then on Christmas Day we held Christmas Day Services where six attended, but not the same six! Weather is not so bad in Superior today, it is non-stop winter for some of our folks who drive in from other areas.

Please Pray With us For:

- * **Clark Fork Fellowship**, the Church Plant in Superior MT
- * **Terra Nova Schools** in Uganda, Alisha & the girls
- * **Terra Nova Soccer** in Uganda, and Abdul
- * **Alana** as she works and serves in Missoula
- * So many affected by the cold winter and increase in heating fuels, gasoline, and food around the country
- * First-Response Teams
- * Opportunity for ministry outside the church walls
- * Current and new supporters for New Day Network
- * Our nation and the world

THANK YOU to those who faithfully pray for us; other believers, and servants of Christ around the globe.
