Seeking For Jesus

On Sunday we continued in our study of the **Book of John**. We are now in **chapter six** and focused on **verses 22-29**. The Word of God never ceases to inspire and intrigue us. **Verse 22** begins, **"The day following..."** And you may not automatically recall what happened the day before, but it was the Miracle of Feeding the 5,000. (This only counted the men, so there were more likely closer to 20,000 or more with women and children.) So, on this day beginning in verse 22 the people get up and go back to where Jesus was the night before, but they could not find Him! They had seen the disciples get into a ship and cross to the other side, but they had no idea what had happened to Jesus.

Verse 24 says, "When the people therefore saw that Jesus was not there, neither His disciples, they also took shipping, and came to Capernaum, seeking for Jesus."

Can you picture it? The crowd sought after Jesus. They were more than ready for another "show"! (*Have you heard about Jesus? Did you see His miracles? Maybe there really is a God who cares about us. And the potluck lunch was amazing!*) Word of Jesus and His miracles spread quickly throughout Judea and Galilee. The crowd wanted what they could get from Jesus and were really clueless--not knowing Jesus was not a teacher come from God, but was in fact, God come to teach. We would say "it was a BIG DEAL"; it was "THE THING" at least at this point in His ministry!

People in the crowd wanted to be a part of what everyone else in the crowd was doing. While the people followed the crowd, Jesus was following His Father! So, this brings a few simple questions to mind--1) *If or when* you decide to join with others to worship God, do you go to **WATCH** worship or to **GIVE** worship to the Father? (**John 4:24**), 2) Are there really people today who are genuinely **seeking for Jesus**? We believe there are some who are seeking Him for the right reasons and we want to be counted among those.

GREAT WORK Y'ALL!

HILLCREST MISSION TEAM (Lebanon, TN) visited for the first time in Superior, Montana. We thank each one and give God the glory! Small groups were all over Superior each afternoon--handing out flyers door-to-door to promote the Friday Night Event, giving out free snow cones at Darlow's and the Eva Horning Park. In the mornings they divided up to complete projects within the church building and did an outstanding job there, as well.

Friday night they helped **Clark Fork Fellowship** host our first "outside the walls outreach", a Party @ The Skate Park where as many as 75 attended this come-and-go event where free hot dogs, chips, snow cones, cookies, and drinks were consumed by all. The kids in our neighborhood showed their skate-skills and enjoyed the Give-A-Way Prize Drawings for skate boards, skate pads, and hula hoops for preschoolers! It was a wonderful evening of connection in community and many, many conversations about God's Good News. This was such a positive event and we trust it will help pave the way for future ministry here. Over the last several Sundays we have enjoyed 7 new visitors in our services. Please pray for the spiritual seeds that were planted during this week. We are trusting our Father in heaven to bring His results in His time. Thank you, again, to the Lord and **Team Hillcrest!**

GOD'S WORK IN UGANDA!

Sarah was able to make a trip to Kampala, Uganda and offer some help for 7 weeks. Alisha and the girls hosted their Grammy and this was an opportunity in a small way to lend a hand at Terra Nova:

I helped in the office for several days as they started paper work for the 2023 School Year. I was also able to assist Alisha and 3 teachers as they prepped for 2nd Term exam week by separating and collating tests for each class. Ms. Christine, teacher in Charlie's Top Class, asked me to teach her class a Bible Song for the Student Show Case at the end of August. These young ones love to sing and they are quick learners! Top Class was the only class that did not use music background, just their pure voices and they were FANTASTIC as they belted out, "Beloved, let us love one another" with a few simple hand motions. I was just as happy to do some things around the house, as well, so Alisha would be freed up a bit when she got home from school every week day. I also did a lot of intentional, specific prayer times, walking through the house and on the compound, as well as some time in the Bunga area.

Clark Fork Fellowship (especially a few individuals) contributed special gifts for my airline ticket and I am most grateful and thankful to you.

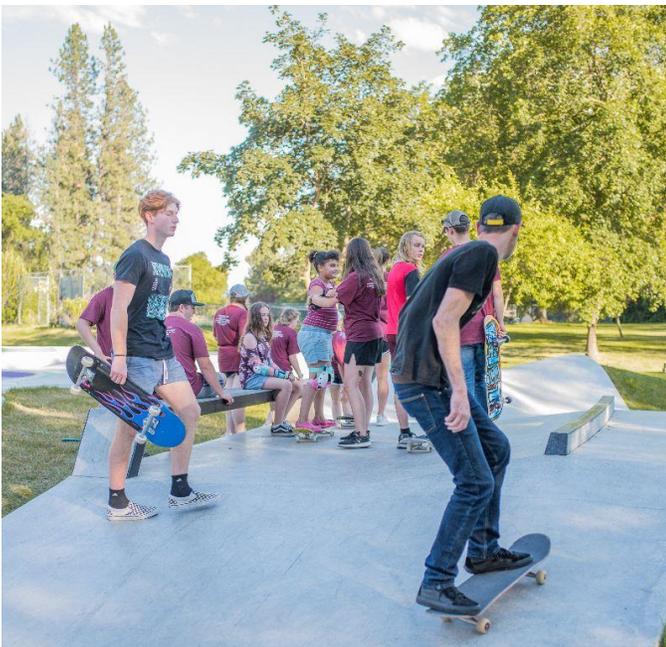

*7 Beloved, let us love one another:
for love is of God; and
every one that loveth is born of God, and knoweth
God.*

*8 He that loveth not knoweth not God; for God is love.
