I.) WHERE ARE YOU FROM?
I AM FROM DELAWARE, BUT
CURRENTLY LIVE IN ATLANTA,
GEORGIA.

2.) WHAT INSPIRED YOU TO CREATE YOUR OWN FRAGRANCE?

HONESTLY, I ALWAYS LOVED FRAGRANCE GROWING UP. I WOULD SHOP IN PINK, VICTORIA'S SECRET, BATH AND BODYWORKS, AND LUSH BECAUSE I JUST LOVED SMELLING GOOD. MY MOTTO IS WHEN YOU SMELL GOOD YOU FEEL GOOD. MY INSPIRATION FOR MY FRAGRANCE CAME FROM WANTING TO SMELL AND FEEL GOOD. TO ME IT IS A FORM OF SELF-CARE. TO ADD IN THE INSPIRATION OF MY FRAGRANCE ALSO CAME FROM THE TRANSITION PERIODS OF MY LIFE.

Written by Hippie Mandy, KD-Smoove & LaNaya Garrett I WAS IN COLLEGE ABOUT TO GRADUATE, LOST MY JOB, AND TRIED TO FIND ANOTHER JOB IN MY FIELD WHICH IS THE MEDICAL FIELD. MY FRAGRANCE NOVASI STARTED AS FLOWERS AND MEADOWS AS A REPRESENTATION OF TRANQUILITY AND TRANSITION, THAT WAS A YEAR AGO. NOW NOVASI HAS BLOOMED INTO A MORE MATURE AND GROWN FRAGRANCE THAT WHEN EVERYONE WEARS IT. I WANT THEM TO FEEL AND SMELL PRETTY AND FRESH

3.) WHO INSPIRED YOUR SENSE OF BEAUTY & MODELING STYLE?

THE FIRST TWO PEOPLE TO INSPIRE MY SENSE OF BEAUTY AND MODELING STYLE WERE MY MOM AND GRANDMA, MY MOM USED TO WORK IN FINANCIAL LITERACY WHEN I WAS YOUNGER, SO I USED TO WATCH HER PUT TOGETHER HER OUTFITS EVERYDAY FOR WORK, EVERYDAY SHE WORE A DIFFERENT SUIT. SHE WOULD DRESS IT UP OR DRESS IT DOWN. AS I GOT OLDER MY MOM WOULD HELP ME PUT TOGETHER OUTFITS. OVER TIME THAT STOPPED BECAUSE MY STYLE CONSTANTLY CHANGED AS I GREW AND MY MOM WANTED ME TO FIND MY OWN SENSE OF STYLE AND BE COMFORTABLE. TO BE QUITE HONEST, I AM STILL TRYING TO FIND MY STYLE THAT FITS ME. MY GRANDMOTHER ON THE OTHER HAND TAUGHT ME A LOT OF BEAUTY IN REGARDS TO PAMPERING MYSELF. SHE WOULD LET ME PLAY IN HER MAKE-UP, JEWELRY, AND FRAGRANCES AS A KID. MY GRANDMOTHER TAUGHT ME THAT I SHOULD ALWAYS PAMPER MYSELF. ASIDE FROM THOSE TWO I GREW UP WATCHING AMERICA'S NEXT TOP MODEL, NEXT IN FASHION, AND SAY YES TO THE DRESS. THESE SHOWS REALLY OPENED MY EYES TO HOW BIG, CREATIVE, AND COLORFUL THE FASHION WORLD IS. IT'S AMAZING, AND I WANTED TO BE A PART OF IT.

4.) WHAT MADE YOU CHOOSE BEAUTY & MODELING AS YOUR CAREER CHOICE?

I CHOSE BEAUTY AND MODELING AS A CAREER CHOICE WHILE ALSO BEING IN THE MEDICAL FIELD BECAUSE IT IS WHAT CAME NATURAL TO ME. I BELIEVE IN PICKING CAREER CHOICES

THAT YOU ARE NATURALLY DRAWN TO, THIS SPACE ALLOWS ME TO EXPLORE THE **ENDLESS POSSIBILITIES OF LEARNING AND** ATTAINING SOMETHING NEW, FOR EXAMPLE BRANDS ARE ALWAYS DROPPING FRAGRANCES SO I LOVE THE FACT THAT I CAN TRY AND REVIEW FRAGRANCES AND RESEARCH THE NOTES IN THOSE FRAGRANCES. BRANDS ARE ALWAYS DROPPING BEAUTY PRODUCTS AND IF IT'S MY FAVORITE BRAND LAM GOING TO BUY IT AND TRY IT TO SEE IF I LIKE IT. IN PICKING THIS CAREER CHOICE I LOVE THE ENDLESS. POSSIBILITY OF GROWTH AND CREATIVE ARTISTRY IN THIS INDUSTRY, THIS INSPIRES ME TO BE CREATIVE IN MY OWN LINE OF WORK AND THAT THERE ARE NO LIMITS TO CREATIVITY.

5.) WHERE DO YOU SEE YOURSELF IN 5 YEARS FROM NOW?

5 YEARS FROM NOW I SEE MYSELF
PROGRESSING IN THE FRAGRANCE AND
BEAUTY INDUSTRY. I SEE MYSELF IN THIS
INDUSTRY FULL TIME WITH MY OWN
CREATIVE WORK WITH MY FRAGRANCE.
IN 5 YEARS I SEE MYSELF DROPPING
MORE FRAGRANCES BY THIS TIME ALL
DIFFERENT SCENTS FROM GOURMANDS,
TO FLORALS, AND EVEN MEN'S
FRAGRANCE. IN 5 YEARS I SEE MYSELF
BREAKING OUT FULLY INTO THE
INDUSTRY, GROWING MY BRAND, AND
MAKING ALL MY DREAMS COME TRUE.

6.) WHAT DO YOU LOOK FORWARD TO IN PRODUCTION FOR THE REST OF THIS YEAR & IN 2025?

I LOOK FORWARD TO FINISHING STRONG AND BEING CONSISTENT FOR THE REST OF 2024. I LOOK FORWARD TO PREPARING FOR NEW PROJECTS IN THE START OF 2025 AND GETTING THE BALL ROLLING ON THOSE PROJECTS IN 2025. I LOOK FORWARD TO JUST GROWING MY BRAND OVERALL EACH AND EVERY DAY.

7.) WHAT ADVICE WOULD YOU GIVE TO THE YOUNG VIEWERS WATCHING?

ADVICE I WOULD GIVE TO YOUNG VIEWERS WATCHING IS DO NOT GIVE UP. KEEP GOING FORWARD IN YOUR JOURNEY. THE JOURNEY MAY NOT BE EASY BUT NO JOURNEY IS EASY. KEEP BEING A GOOD STEWARD OF EVERYTHING YOU HAVE. PRAY NEVER STOP PRAYING. LASTLY, ALWAYS REMAIN TEACHABLE AND NEVER STOP BEING A STUDENT.

SPECIAL ISSUE: HOLIDAY EDITION OCT.2024-JAN.2025 | ISSUE 1 WWW.JORDANHUNDLEYACTOR.COM

1.)WHERE ARE YOU FROM?
I'm from Northern VA
(specifically Fairfax, VA).

2.) WHO & WHAT INSPIRED YOU TO BECOME AN ACTRESS?
I honestly don't even remember who or what it was specifically. There's no other artists in my family (in fact they all kinda pushed against my passion for performance my whole life), but I've been wanting to be an actor since I was a kid.

I think it came from watching a lot of TV as a kid, but unlike most kids (who just watch and enjoy the show), I'd dig into the production side and watch behind the scenes clips, bloopers, auditions, and interviews. Shows that I specifically remember watching and being like, "yeah I wanna do that," include Lost, Victorious, American Horror Story, Parks and Rec, and The Walking Dead.

4.) HOW DO YOU FEEL ABOUT THE FALL SEASON?

As much as I love the heat and the sun of summer, the vibes of the fall are just immaculate. Black is my favorite color, pumpkin is the best flavor anything, and please give me all things spooky and creepy all the time!

5.) WHAT'S ARE SOME THINGS ABOUT FALL THAT YOU ENJOY?

As mentioned above, I am kinda obsessed with the overall aesthetic, but here's a few specifics:

- Pumpkin carving
 Scary movies
 Candy corn
- Fall leaves (I went to school in the Shenandoah mountains and the fall there is UNMATCHED)
- · Haunted houses
- Oktoberfests

5.) WHAT DO YOU LOOK FORWARD TO IN PRODUCTION FOR THE REST OF 2024?

Closing out 2024, I look forward to finishing the production of several films these next few months! Including Bloody Summer Camp 2 (with Slasher 15 Productions), The Last Shift (with Wrong Neighborhood Productions), Trailer Trash (Claytonix Productions), and 2 more than I can't say much about just yet... I'm also back into live performance for a few months, and am currently acting in the Winery at Bull Run's Haunted Wine Tours (an interactive and immersive experience where the audience is led from haunted scene to haunted scene, with a glass of wine-or two- in their hands). Also, I'm super hype about 2 films that I shot in the past year premiering this October: Haig's Heart (apart of the 10/31 anthology) by Archico Productions, and Blood and Breakfast by Absurd Productions Pictures!

6.) WHAT'S IT LIKE CELEBRATING HALLOWEEN WITH YOU?

Not gonna lie, this Halloween (and several of the previous Halloweens for the past few years), I'm working at the Haunted Wine Tours, so Halloween night is usually working time.

However, there's literally nothing that. I love more than acting (especially spooky acting), so it's my ideal celebration! However, when I'm not working, my ideal Halloween is spent dressing up and going to Halloween parties with my friends.

7.) IS THERE ANYTHING YOU'D LIKE TO SHARE WITH YOUNG VIEWERS WATCHING?

Follow your passion and DO NOT GIIVE UP ON IT!!!

As I mentioned above, my family and friends did not support me acting, but I persevered and kept doing it. I wasn't very good when I started. I took my first theatre class in middle school, but didn't make the play or the improv team that year. I even remember being told by a director in early high school that I overacted and just wasn't that great, and I really wanted to quit, but I, for some reason, didn't. Two years later when I was 16, I booked my first professional play and launched my career that is still growing today (30+ stage productions, 6 years of professional atmospheric acting/cosplaying, 10+ films to date, and a degree in acting).

JUSTIN MURTA INTERVIEW W/ HIPPIE MANDY

- 1.) WHERE ARE YOU FROM? Sullivan Missouri.. close to St Louis.
- 2.) WHAT'S YOUR VIEW OF ART?

Art to me, is the way someone expresses themselves, that can take many forms, such as painting, sculpture, photography, and music. Art can inspire, it can invoke feelings and communicate moods. It can also be a means of communication where language is not enough to explain feelings or abstract thought.

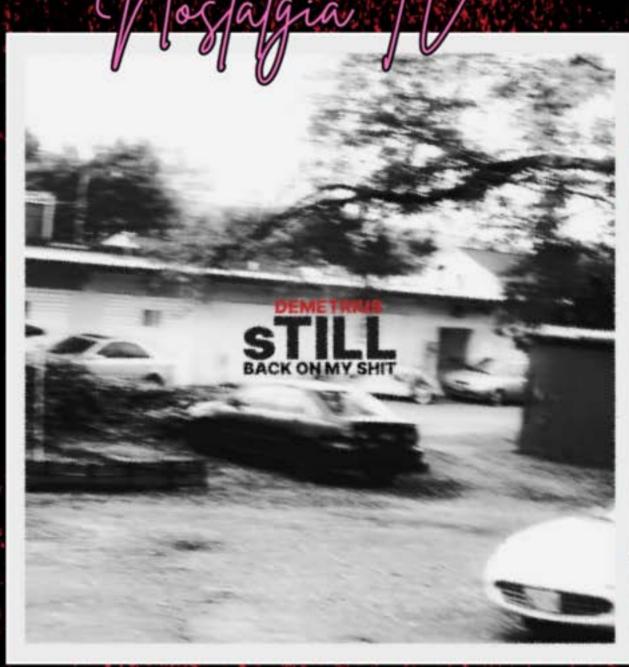

- 3.) OVERALL, WHO ARE YOUR TOP 5 INDEPENDENT ARTISTS IN 2024? Musically? Shaiva, Swiggle Mandela, Marty Boombox, Steven Velasco & Darrius Martin.
- 4.) WHAT MADE YOU WANT
 TO BECOME A PROFESSIONAL
 ARTIST/ENTERTAINER?
 The allure of being able to
 make a living doing what I
 love to do.

- 5.) HOW DID YOU GET YOUR
 STAGE NAME?
 I had a stage name.. I use
 my government name as
 my stage name :D.
- 6.) WHO ARE YOUR FAVORITE INDEPENDENT FASHION STYLISTS &/OR FASHION DESIGNERS? Jumbo Press, First Rite, Paskal, Miss Sohee and Mai Lam.
- 7.) WHAT DO YOU ENJOY THE MOST ABOUT FASHION?
 That it puts artwork in motion.. it turns the wearer into a moving artistic expression.
- 8.) WHAT DO YOU LOOK
 FORWARD TO IN PRODUCTION
 THIS YEAR?
 2 more songs being released
 by the end of the year!

DEMETRIUS INTERVIEW W/ HIPPIE MANDY

1) WHERE ARE YOU FROM?

Frederick, Md, but if I was to show you around I'd say I'm from "Out 40" specifically.

24) WHAT'S YOUR VIEW OF ART?

Art can be a very spiritual thing if it's genuine. For me, I really like transfer my energy through my craft, whether that be rapping, making my own cover art, or shooting the videos. I can't force it, has to be felt.

SONDERALL COMO ARE YOUR TOP

Curren\$y, MIKE, Larry June, I know his album was last year, but the Grammy win was this year, so Killer Mike, Brent Fiayaz and as honorable mention I'd say LaRussel just because of how much he's doing out there.

AJ) WHAT MADE YOU WANT TO EECOME A PROFESSIONAL ARTIST/ENTERTAINER? Honestly, I was close to flunking out of college, kicked off my basketball team, and had nothing better to do to hang at my homie's studio session while I was running around with him and just happened to make it work. I love it now, but never even entertained the idea before hand.

STAGE NAME?

Shout out to my mom and pops! Demetrius is my middle name, so it's been there since birth.

6.) WHO ARE YOUR FAVORITE INDEPENDENT FASHION STYLISTS &/OR FASHION DESIGNERS?

Kerby from Pyer Moss and Joe Freshgoods, because they make their own way, their own rules.

7.) CHAT DO YOU ELLOY THE MOST ABOUT FASHIOU?

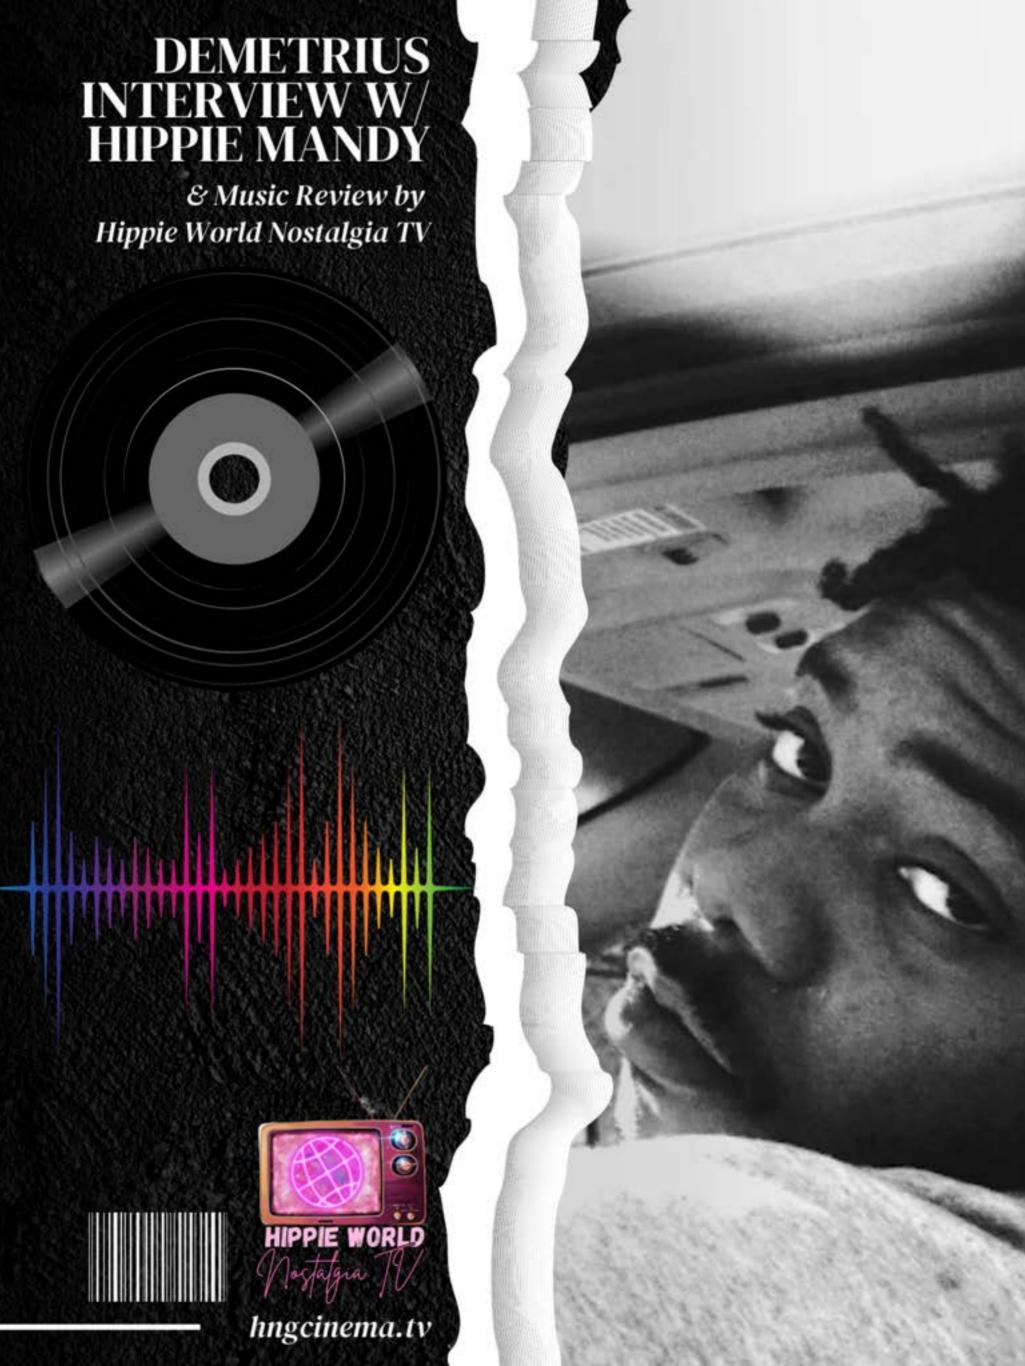

It's very conversational. Fashion is one of the easiest ways to tell people about yourself, your mood, or your current inspiration without saying a single word.

EL) CHAT DO YOU LOOK FORWARD TO IN PRODUCTION THIS YEAR?

Anything involving the Alchemist and DJ Fresh, they could work with rappers I'm not even a fan of and I'll still go listen.
