### **Araba Dowell Brings F.R.E.S.H. Energy and Leadership to South Fulton's District 2**

**SOUTH FULTON, GA — OCT. 15, 2025** — Early voting kicked off in Georgia on October 14 — Araba Dowell stands out among the eight candidates running for South Fulton City Council District 2 with her F.R.E.S.H. vision — Future Ready, Experienced, Smart Growth, Healthy City — a plan to build a thriving, inclusive community where all residents can prosper.

Araba is renowned for bringing award-winning, transformative solutions to our nation's leading corporations, nonprofits and government agencies and will do the same for the City of South Fulton. With a strong background in economic development and a deep connection to the community, Dowell is focused on improving quality of life, streamlining city services and creating meaningful business opportunities.

*"South Fulton is ready for forward-thinking leadership that delivers results," said Dowell. "I'm running to make sure every resident's voice is heard, every process works better, and every neighborhood has the chance to thrive."*

Dowell's approach blends experience, innovation and accountability — setting a new standard for how city government can work for its people.
