What inspired our American flags at the top of our stairs? It was the **Halifax Resolves**, the first formal call for independence from Great Britain. It happened here in Halifax on **April 12th, 1776**. These Resolves created a ground swell of support for declaring independence when they were presented to the Continental Congress. Afterwards, other colonies followed, also calling for independence. The bold position taken here in Halifax for our freedom gave our Founding Fathers the confidence to declare independence from Great Britain with the **Declaration of Independence on July 4th, 1776**.

The Hen & The Hog is proud of our nation's history and the important part Halifax played!
