

Photographer Rules & Contract

Photography sessions are welcome throughout the year. However, during our peak fall season in October and November, we limit the number of photographers on the property at any given time to help ensure a positive experience for everyone, preserve the quality of the setting, and minimize overcrowding.

All sessions must be secured by appointment first.

Photography Session Rates

\$50 for the first 1 hour

\$80 for 2 hours

\$30 per additional hour after the initial 2 hours

Please determine the number of hours you will need before booking your session date and time, as the duration must be provided at the time of booking.

All photo sessions require full payment in advance and are non-refundable. In the event of inclement weather, a makeup date will be scheduled.

To book your session, please text Earl at 980-521-1188.

Advance payment may be mailed by check (payable to Earl Almond), cash, or through Venmo @Earl-Almond

Photographers must check in at the gift shop upon arrival

Your session is limited to the time you have reserved. Please enter the tree field at your scheduled start time and exit on or before your scheduled end time.

To ensure all photographers have access to their reserved time, please be prompt in vacating the tree field when your session ends. We appreciate your courtesy and cooperation.

Clients are welcome to bring their pets; however, all pets must remain on a leash at all times. Tags, ribbons, or other markers placed on the trees may not be removed or altered for any reason.
